Free download of all files in many languages at BibleStudyDownloads.org

The background of the slide is a dramatic, low-key photograph of a stone wall. A wooden beam is visible across the top, and a scroll is draped over a ledge in the lower right. The lighting is moody, with strong highlights and deep shadows.

STUDY HELP #06

The "Silent" Period BETWEEN MALACHI AND MATTHEW

FOUR GREAT PIVOTAL DEVELOPMENTS:

SCRIPTURAL:

1. The Hebrew Canon (Old Testament) was completed.

2. The Old Testament was translated into Greek.
(The Septuagint -- "LXX" in the reference books)

HISTORICAL:

3. Alexander the Great spread Hellenism throughout his conquered lands.

4. Israel came under the Romans: a time of high technology and a cruel peace in the Known World (The Pax Romana).
