<http://web.me.com/singaporerick/site/Welcome.html> will take you directly to Rick's website (copy and paste into your browser).. At that site you will see this internet frame -- without the color call-outs (see below):

Rick Griffith's Bible Study Notes from Singapore

TBB's complete coursework available for download -- as far along as our translation program has progressed. Seven languages are completed at this time.

Singapore Bible College

Rick has uploaded all of his extensive Bible study references to this site IN ADDITION to THE BIBLE...BASICALLY® content in 25 languages. You can access these multilanguage versions by double clicking in the TBB area on the website. The download will come to your computer as PDF files which you can open up to see the TBB version in the language(s) selected. (There may be difficulties in necessary foreign printing fonts which your computer may not contain at this time.)

Each of the languages on the outer borders of the frame represent countries from which students arrive who enter the SBC/TBB translation program. I think you will enjoy this exploring!

Thank you for your continued generous support of TBB's ministry as we continue to spread the skills and tools for expanded biblical literacy training on every continent. Blessings.

John
