# What was the purpose of the Flood?

# Genesis 6:7, 13

7. The LORD said, “I will blot out man whom I have created from the face of the land, **from man to animals to creeping things and to birds of the sky**; for I am sorry that I have made them.”

13. Then God said to Noah, “The end of all flesh has come before Me; for the earth is filled with violence because of them; and behold, I am about to destroy them **with the earth.**”

**Where did the  
water come from?**

# Genesis 7:11

In the six hundredth year of Noah's life, in the second month, on the seventeenth day of the month, on the same day all the **fountains** of the great deep **burst open**, and the **floodgates of the sky** were opened.

# How big was the Flood?

# Genesis 7:19-20

19. The water prevailed more and more upon the earth, so that **all the high mountains everywhere under the heavens** were covered.

20. The water prevailed fifteen cubits higher, and **the mountains were covered.**

A paleontologist wearing a white protective suit and a yellow hard hat is kneeling in a rocky, reddish-brown environment, examining a large fossilized skull embedded in a rock layer. The skull is the central focus, showing a prominent brow ridge and a large eye socket. The surrounding rock is layered and textured, suggesting a sedimentary formation. The text is overlaid on the image in a large, bold, white font with a black outline.
