Creation in Six Days

HAEDY

God's Creation...Day 1

In the beginning God created
the heavens and the earth (1).

God's Creation...Day 1

The earth was formless and void, and darkness was over the surface of the deep, and the Spirit of God was moving over the surface of the waters (2).

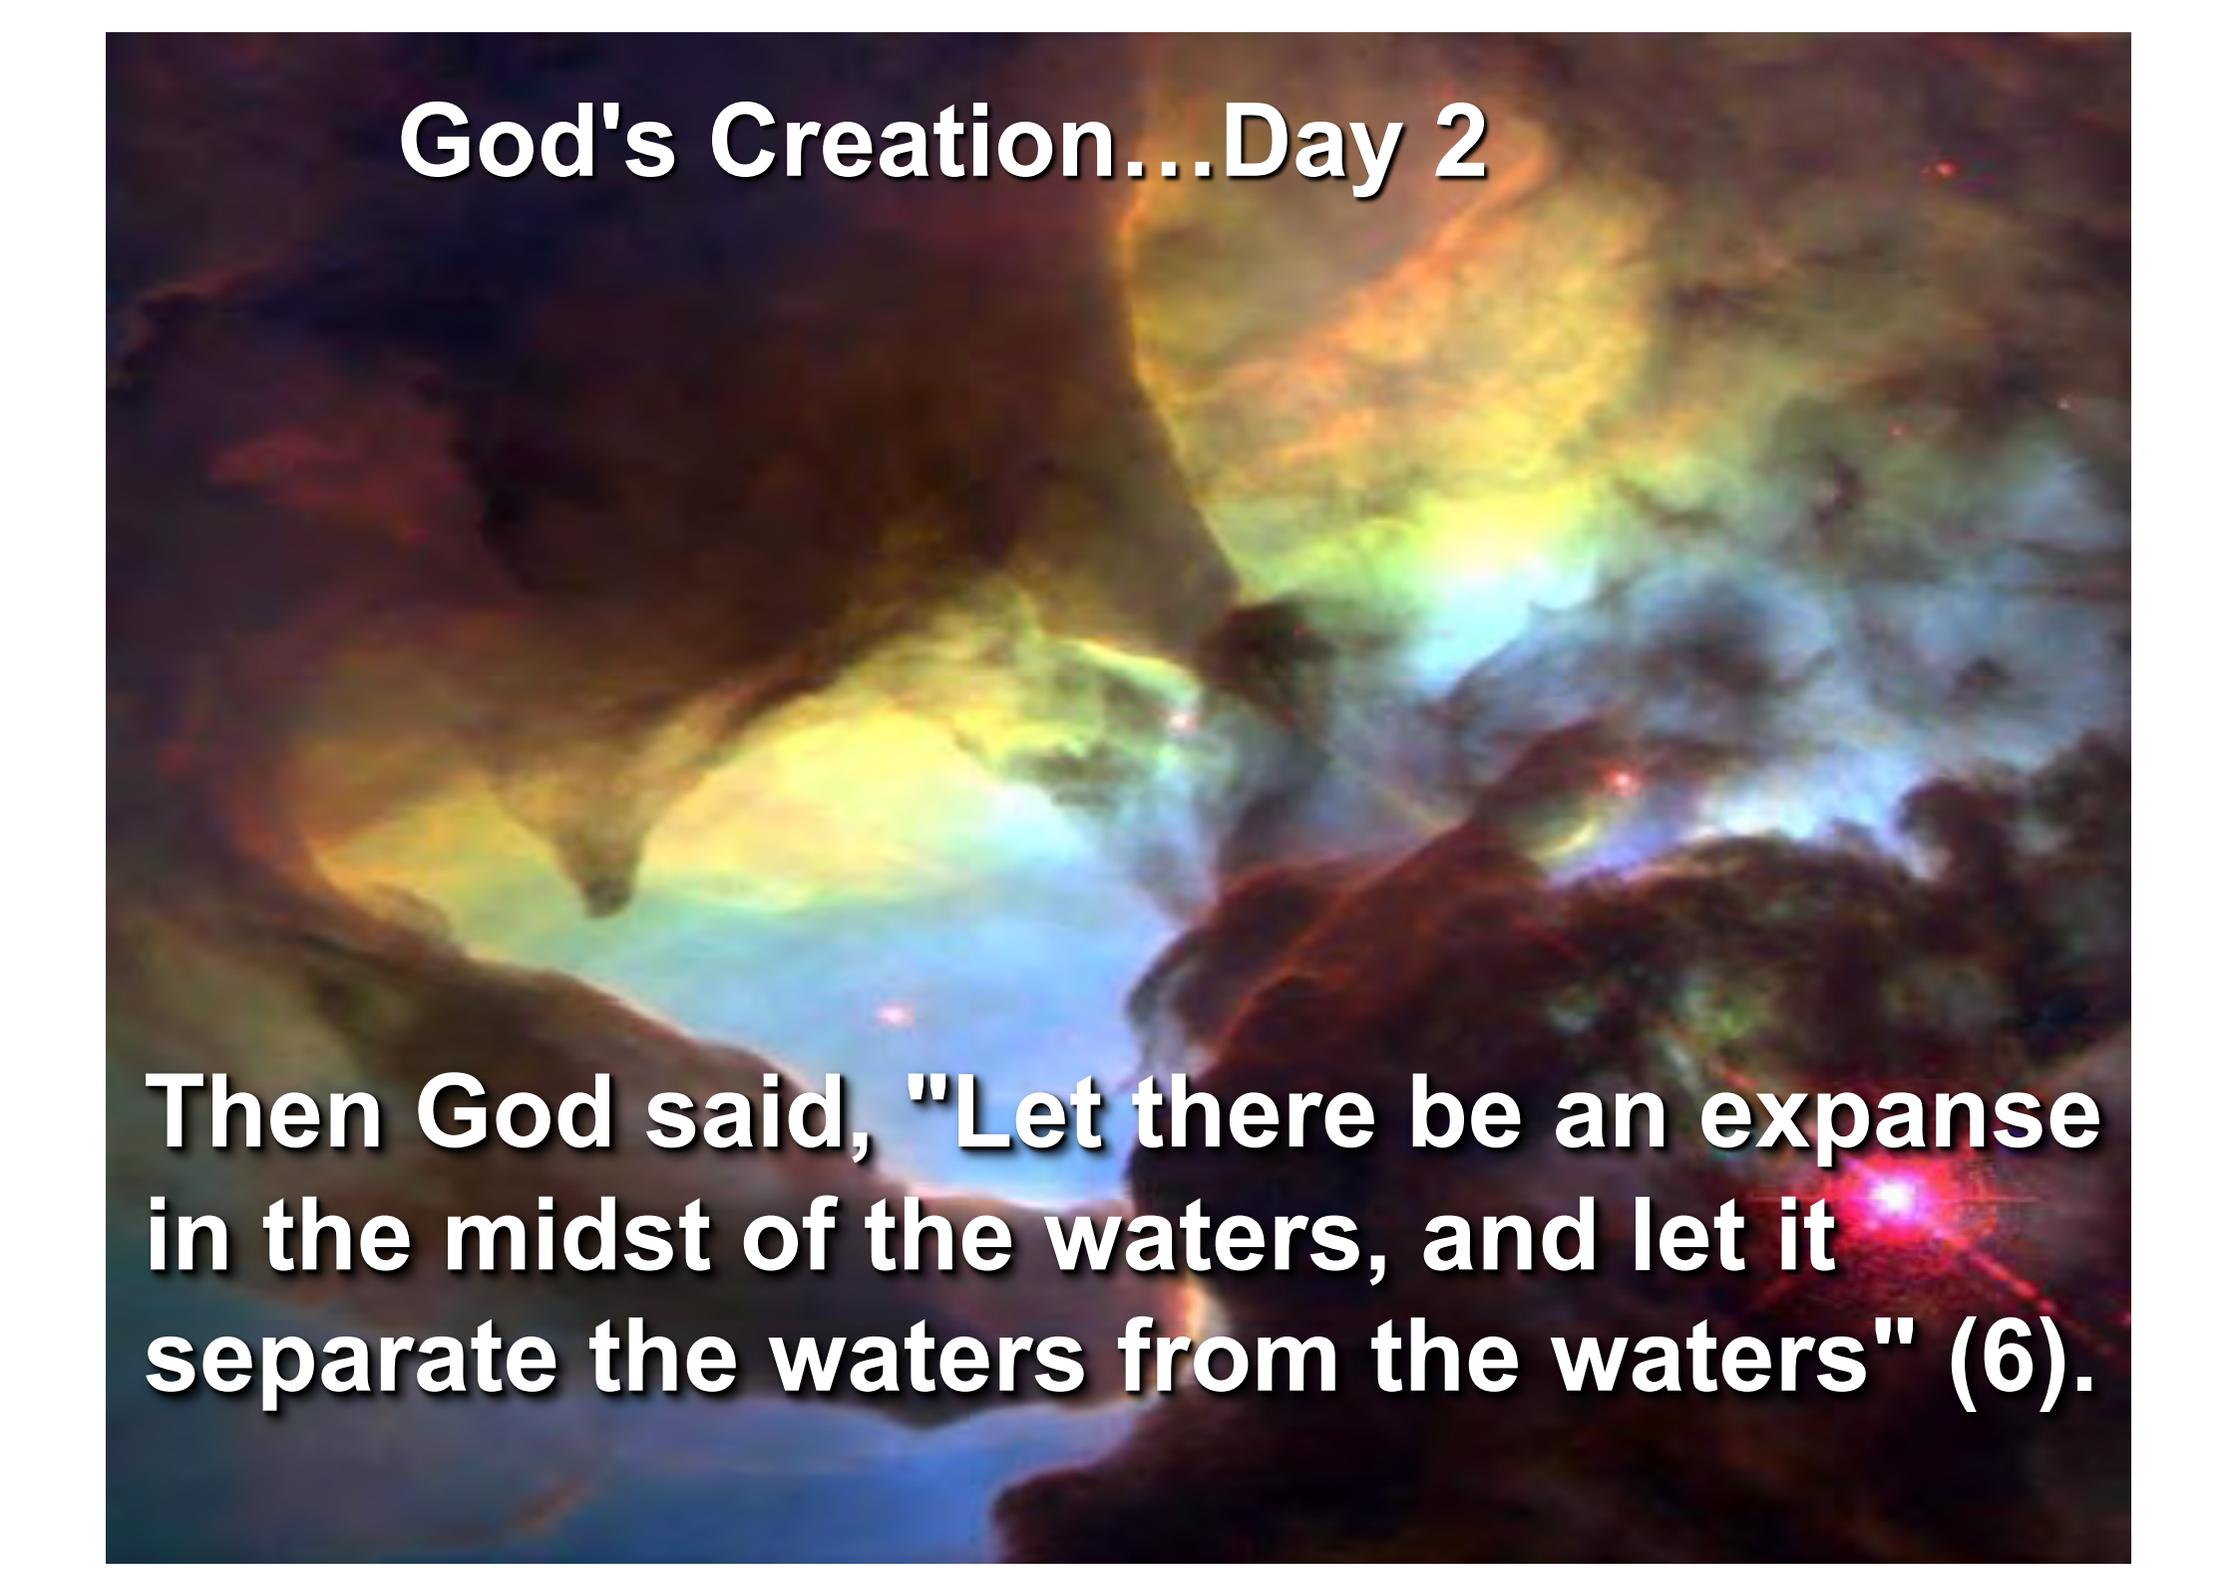

God's Creation...Day 1

Then God said, "Let there be light"; and there was light. God saw that the light was good, and he separated the light from the darkness (3-4).

God's Creation...Day 1

God called the light day, and the darkness He called night. And there was evening and there was morning, **one day** (5).

God's Creation...Day 2

Then God said, "Let there be an expanse in the midst of the waters, and let it separate the waters from the waters" (6).

God's Creation...Day 2

God made the expanse, and separated the waters which were below the expanse from the waters which were above the expanse; and it was so (7).

God's Creation...Day 2

**God called the
expanse heaven
(NIV "sky," 8a).**

God's Creation...Day 2

And there was evening and morning, a second day (8b).

God's Creation...Day 3

Then God said, "Let the waters below the heavens be gathered into one place, and let the dry land appear"; and it was so (9).

Putting the Puzzle Pieces Together: Global Tectonics and the Flood Dr. John Baumgardner

This NEW DVD examines how catastrophic plate tectonics could have been a major mechanism in the Genesis Flood model \$12.99

The study of catastrophic plate tectonics (CPT) provides clear insight into how the earth's seven continents may have taken shape out of the supercontinent God created on Day 3 of Creation Week. This developing field of science takes an in-depth look at the earth's plates from a biblical perspective. For a look at the possible history behind the earth's modern formation, see the chart on the reverse side and the products above.

SCIENTIFIC FACT:

The movement of the continental plates to their present positions did not take millions of years of slow plate shifting.

In Genesis 6–8 we read of a catastrophe that impacted the earth in a way unlike any other disaster since that time. Such a catastrophe would impact not only the earth's atmosphere and inhabitants but also its very foundations. The earth's landmass during Adam's day was extremely different from the seven continents of our modern world. But what caused it to change so drastically? Catastrophic plate tectonics (CPT) is one possible contributing factor.

God's Creation...Day 3

God called the dry land earth, and the gathering of the waters He called seas; and God saw that it was good (10).

God's Creation...Day 3

Then God said, "Let the earth sprout vegetation: plants yielding seed, *and* fruit trees on the earth bearing fruit after their kind with seed in them," and it was so. The earth brought forth vegetation, plants yielding seed after their kind, and trees bearing fruit with seed in them, after their kind; and God saw that it was good (11-12).

God's Creation...Day 3

There was evening and there was morning, a third day (13).

God's Creation...Day 4

Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years (14);

God's Creation...Day 4

**And let them be for lights
in the expanse of the
heavens to give light on
the earth"; and it was so
(15).**

God's Creation...Day 4

Sun

A glowing sun with a textured, orange and yellow surface is being held by two large, dark, stylized hands. The background is a mix of blue and orange, suggesting a celestial or divine setting. The sun is the central focus, radiating light.

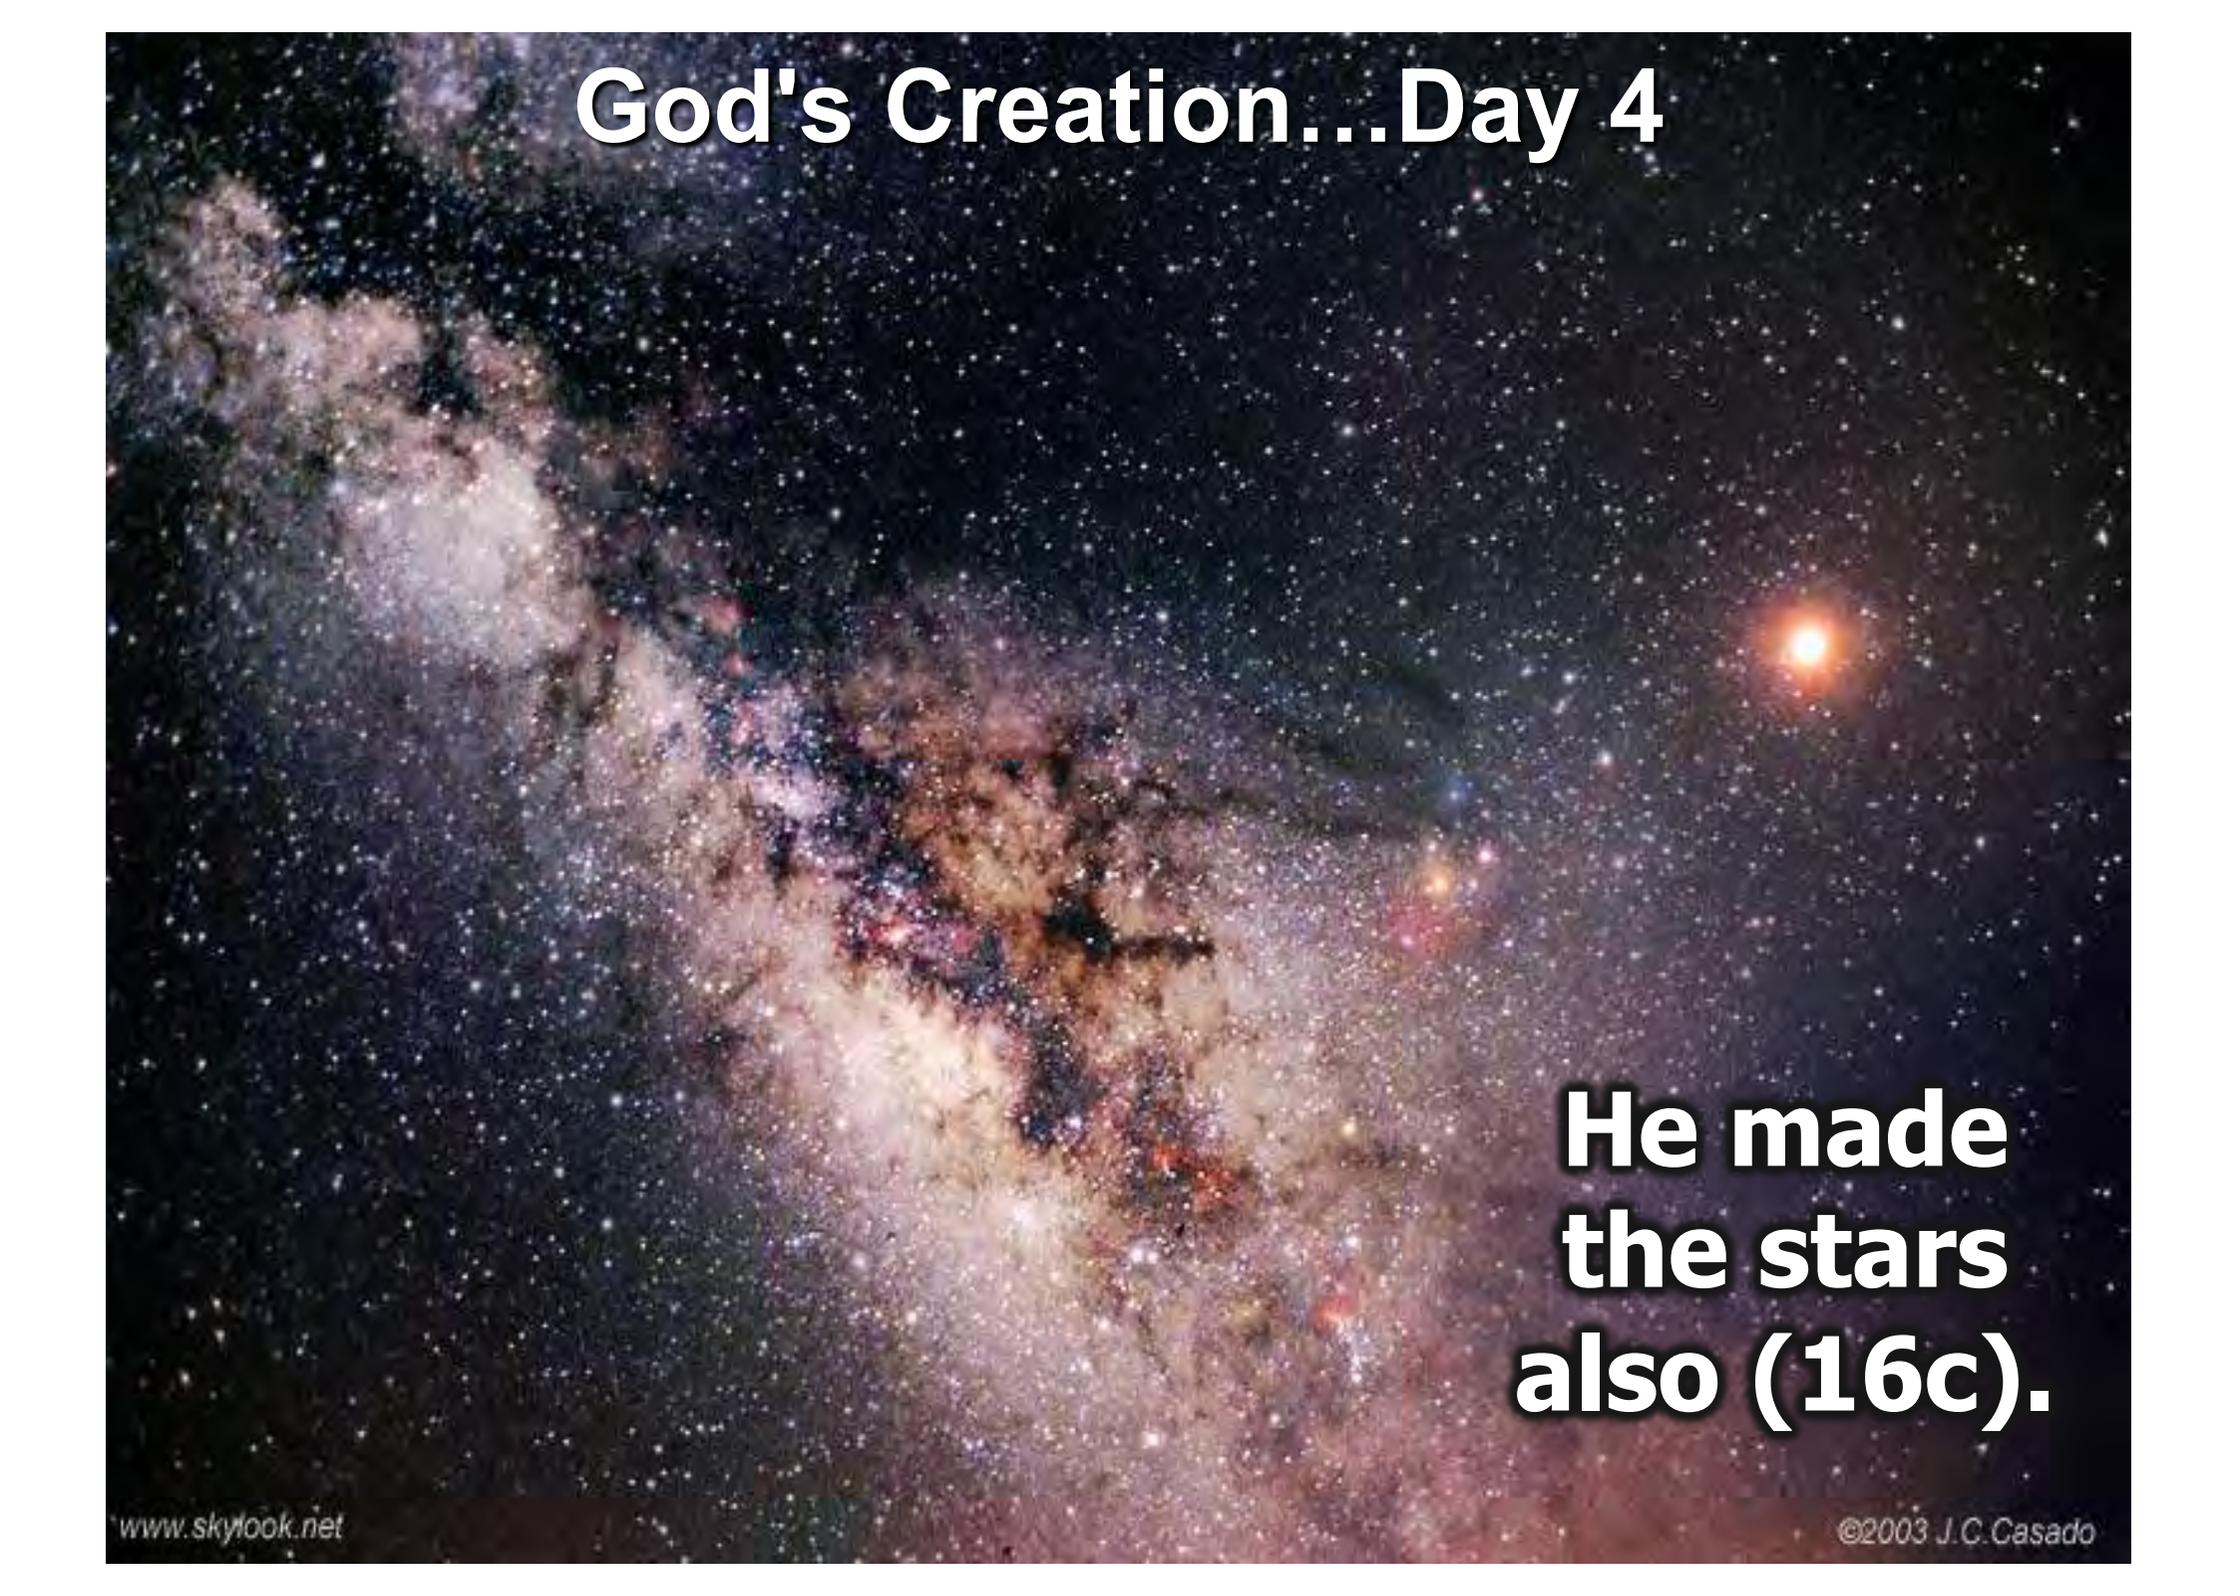

**God made the two great lights,
the greater light to govern the day
(16a)...**

God's Creation...Day 4

**...and
the
lesser
light to
govern
the
night
(16b)...**

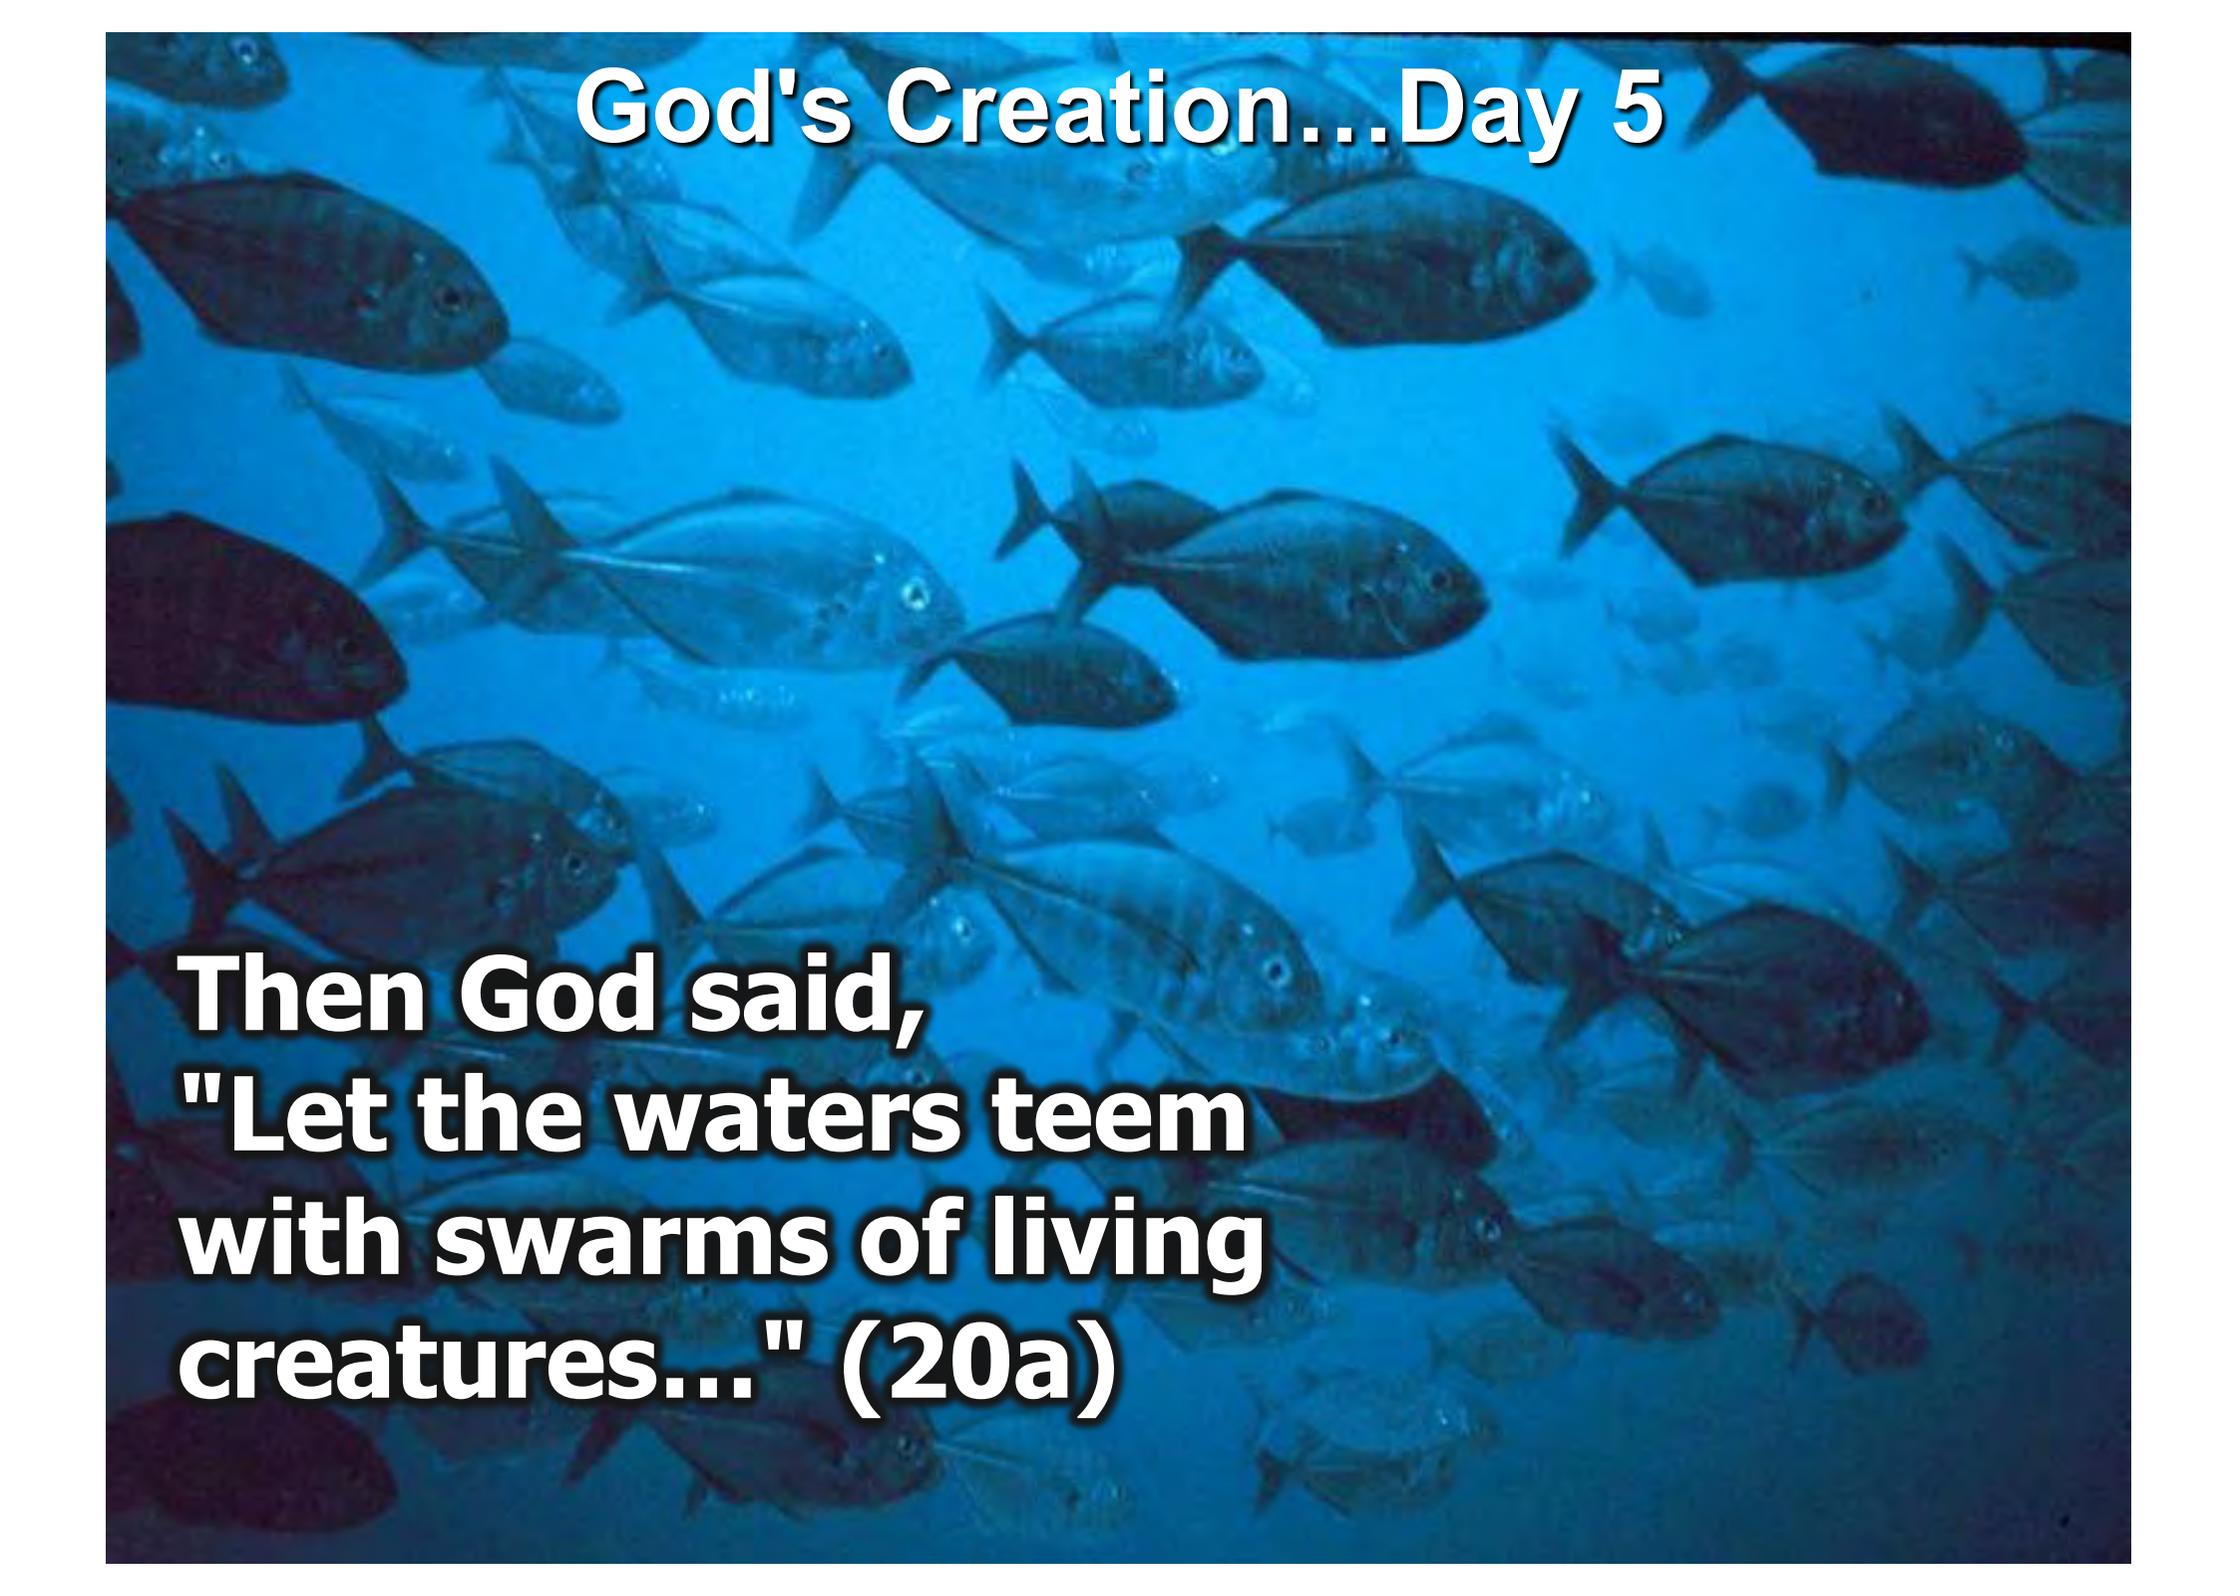

God's Creation...Day 4

A night sky photograph featuring the Milky Way galaxy, which appears as a dense, colorful band of stars and dust stretching across the frame. The colors range from white and yellow to red and blue. A prominent, bright orange star is visible in the upper right quadrant, standing out against the dark background of the galaxy and the field of smaller stars.

**He made
the stars
also (16c).**

God's Creation...Day 4

God placed them in the expanse of the heavens to give light on the earth, and to govern the day and the night, and to separate the light from the darkness; and God saw that it was good. There was evening and there was morning, a fourth day (17-19).

A large school of fish swimming in clear blue water. The fish are of various species, including what appear to be snappers and groupers, swimming in a coordinated pattern. The water is a deep, clear blue, and the fish are silvery with some darker markings.

God's Creation...Day 5

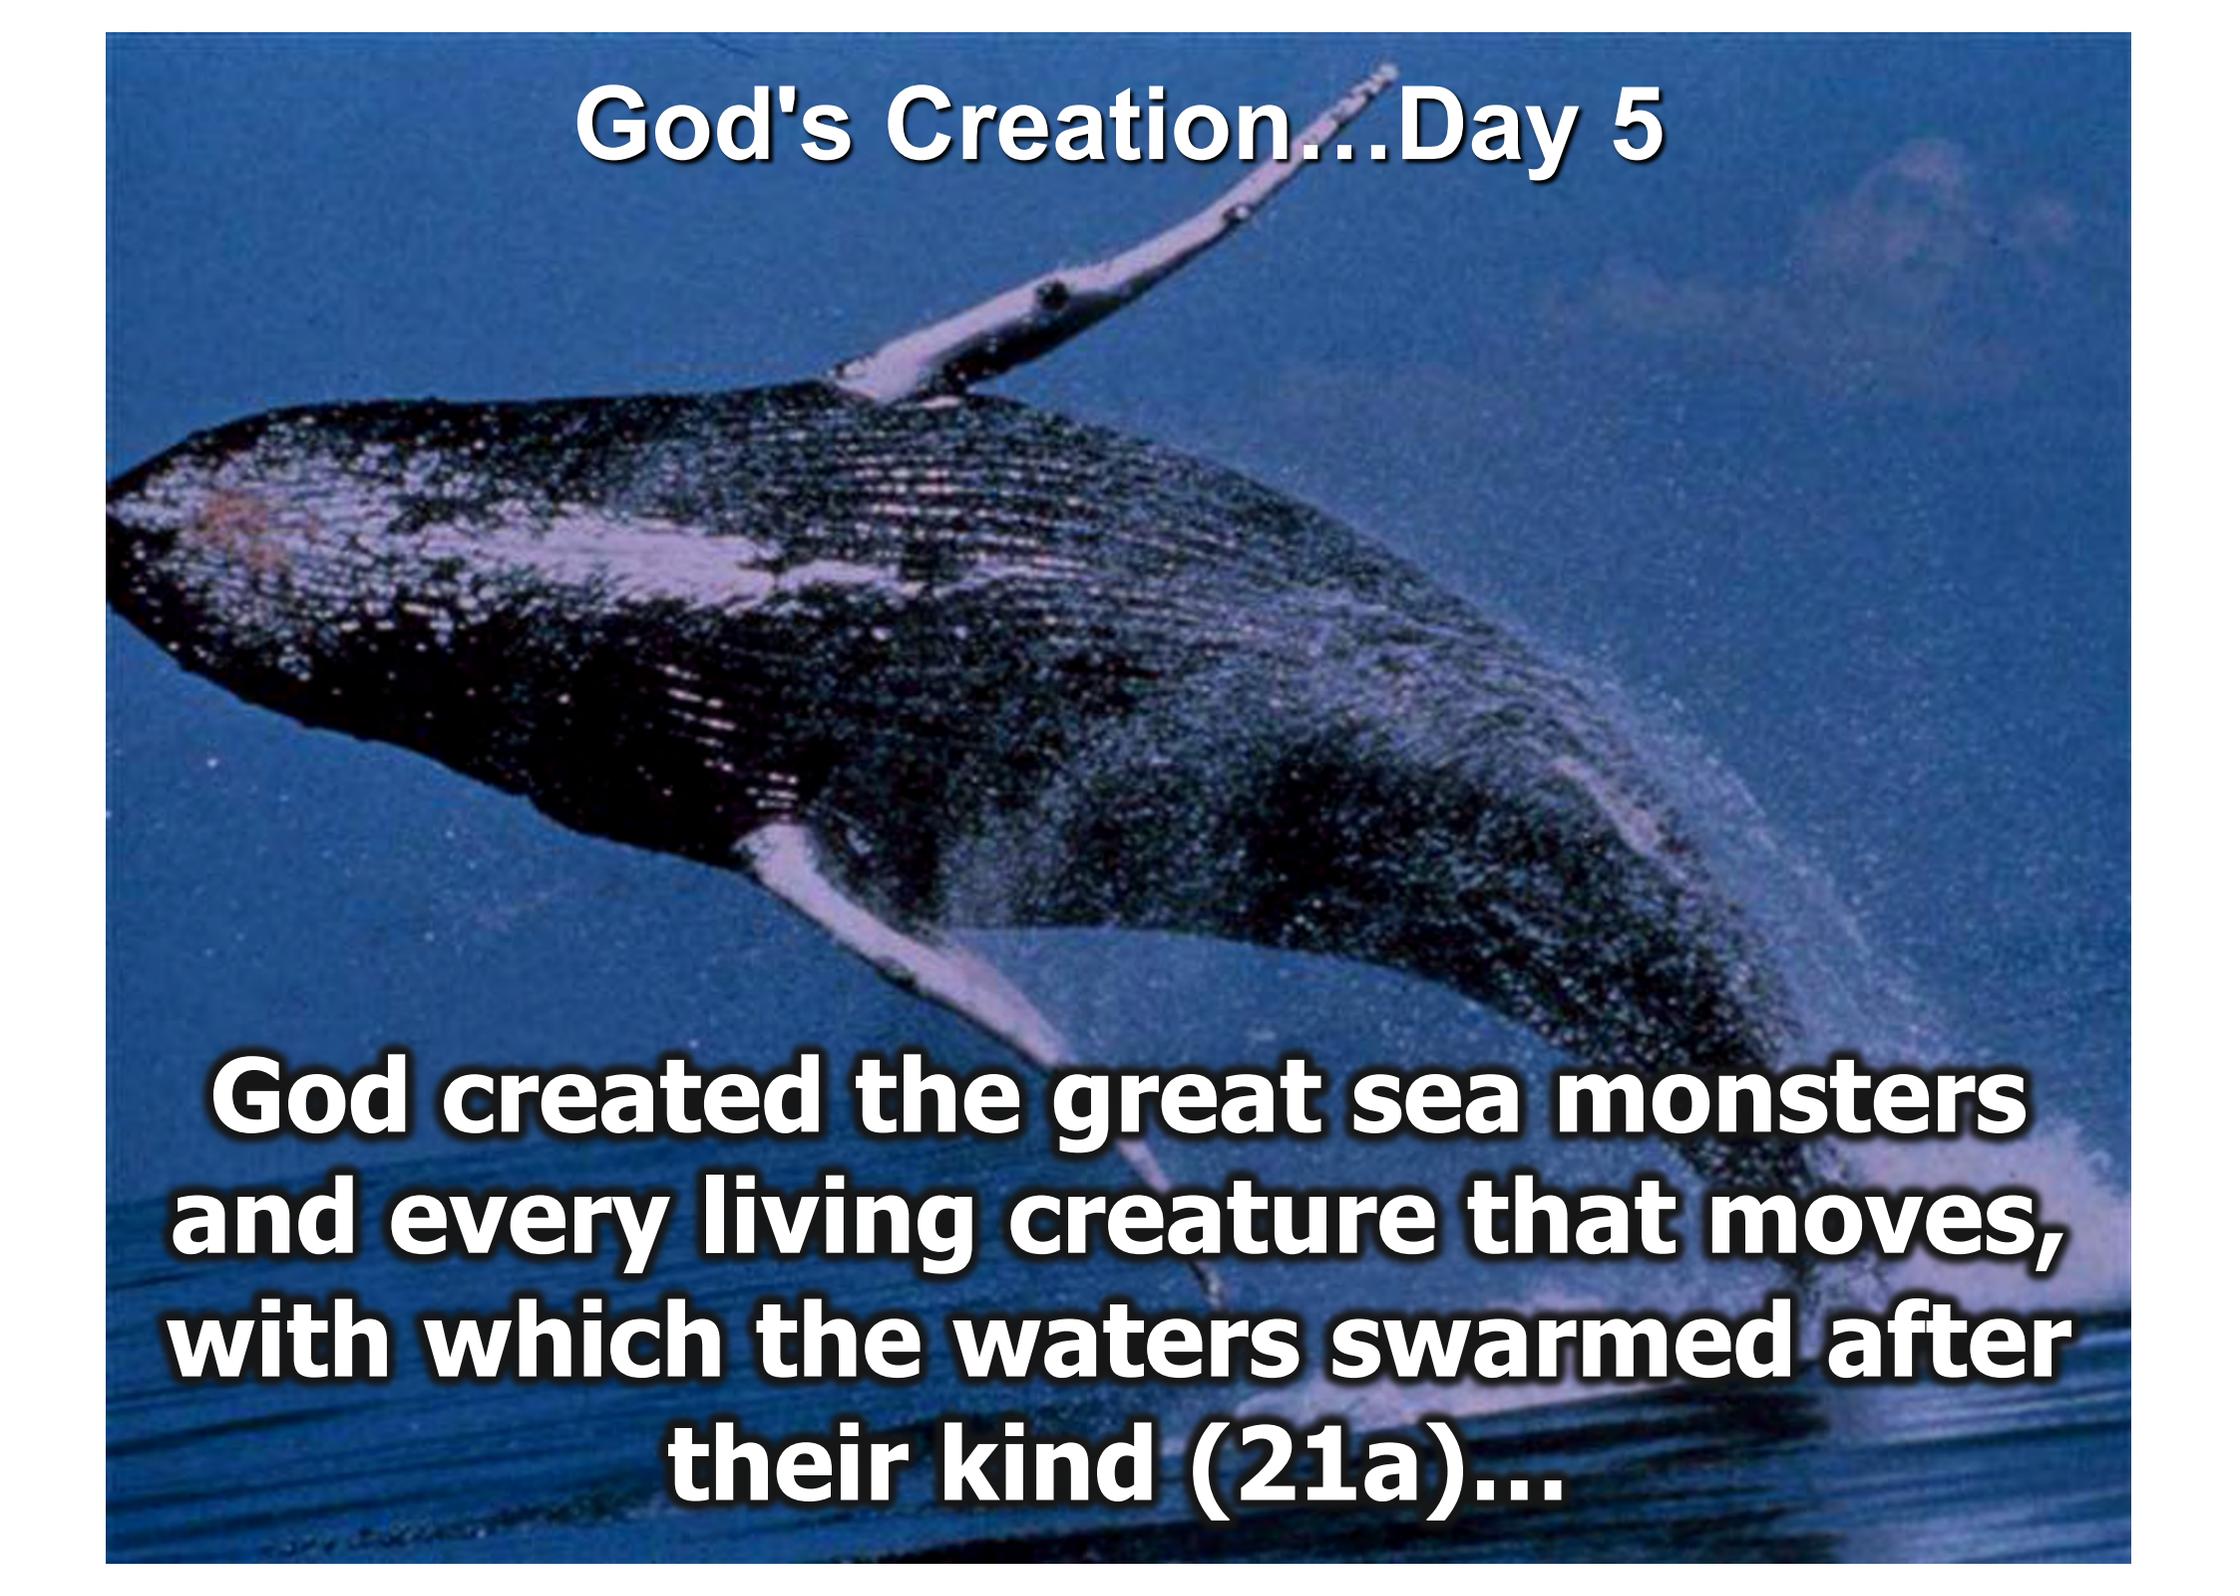

**Then God said,
"Let the waters teem
with swarms of living
creatures..." (20a)**

God's Creation...Day 5

A bald eagle is shown in flight, its wings spread wide, flying over a large body of water. In the background, a large, snow-capped mountain rises against a clear blue sky. The foreground shows the calm surface of the water, reflecting the sky and the mountain. The overall scene is a beautiful representation of nature's grandeur.

**"...and let birds fly
above the earth in the
open expanse of the
heavens" (20b).**

God's Creation...Day 5

A large whale, likely a humpback whale, is captured in the middle of breaching the ocean's surface. The whale's dark, textured back and white pectoral fins are visible as it moves from the water. A large, energetic splash of white water is trailing behind the whale, contrasting sharply with the deep blue of the surrounding sea. The sky above is a clear, pale blue.

**God created the great sea monsters
and every living creature that moves,
with which the waters swarmed after
their kind (21a)...**

God's Creation...Day 5

**...and every winged
bird after its kind;
and God saw that it
was good (21b).**

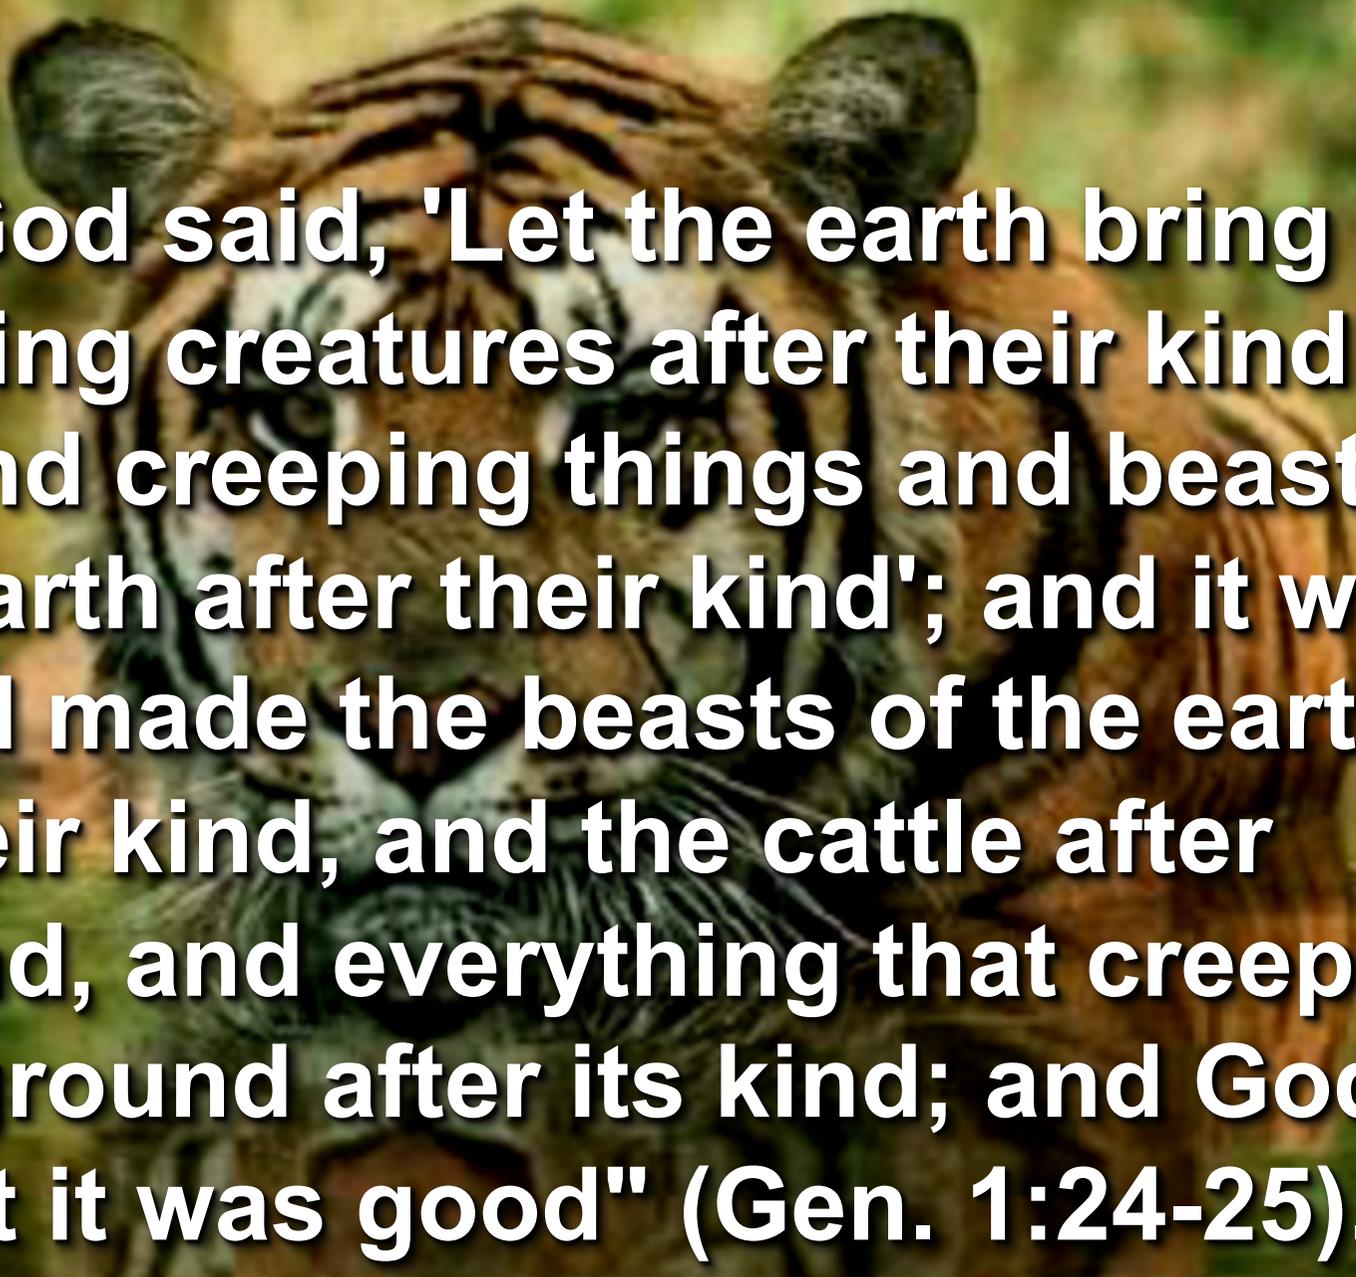

God's Creation...Day 5

God blessed them saying, "Be fruitful and multiply, and fill the waters in the seas, and let the birds multiply on the earth" (22).

God's Creation...Day 5

A sunset scene with two palm trees silhouetted against a large, glowing sun. The sun is a bright yellow circle in the center of the frame, surrounded by a soft orange and red glow. The palm trees are dark silhouettes in the foreground, their fronds reaching up towards the sun. The background is a gradient of orange and red, suggesting a clear sky at dusk or dawn.

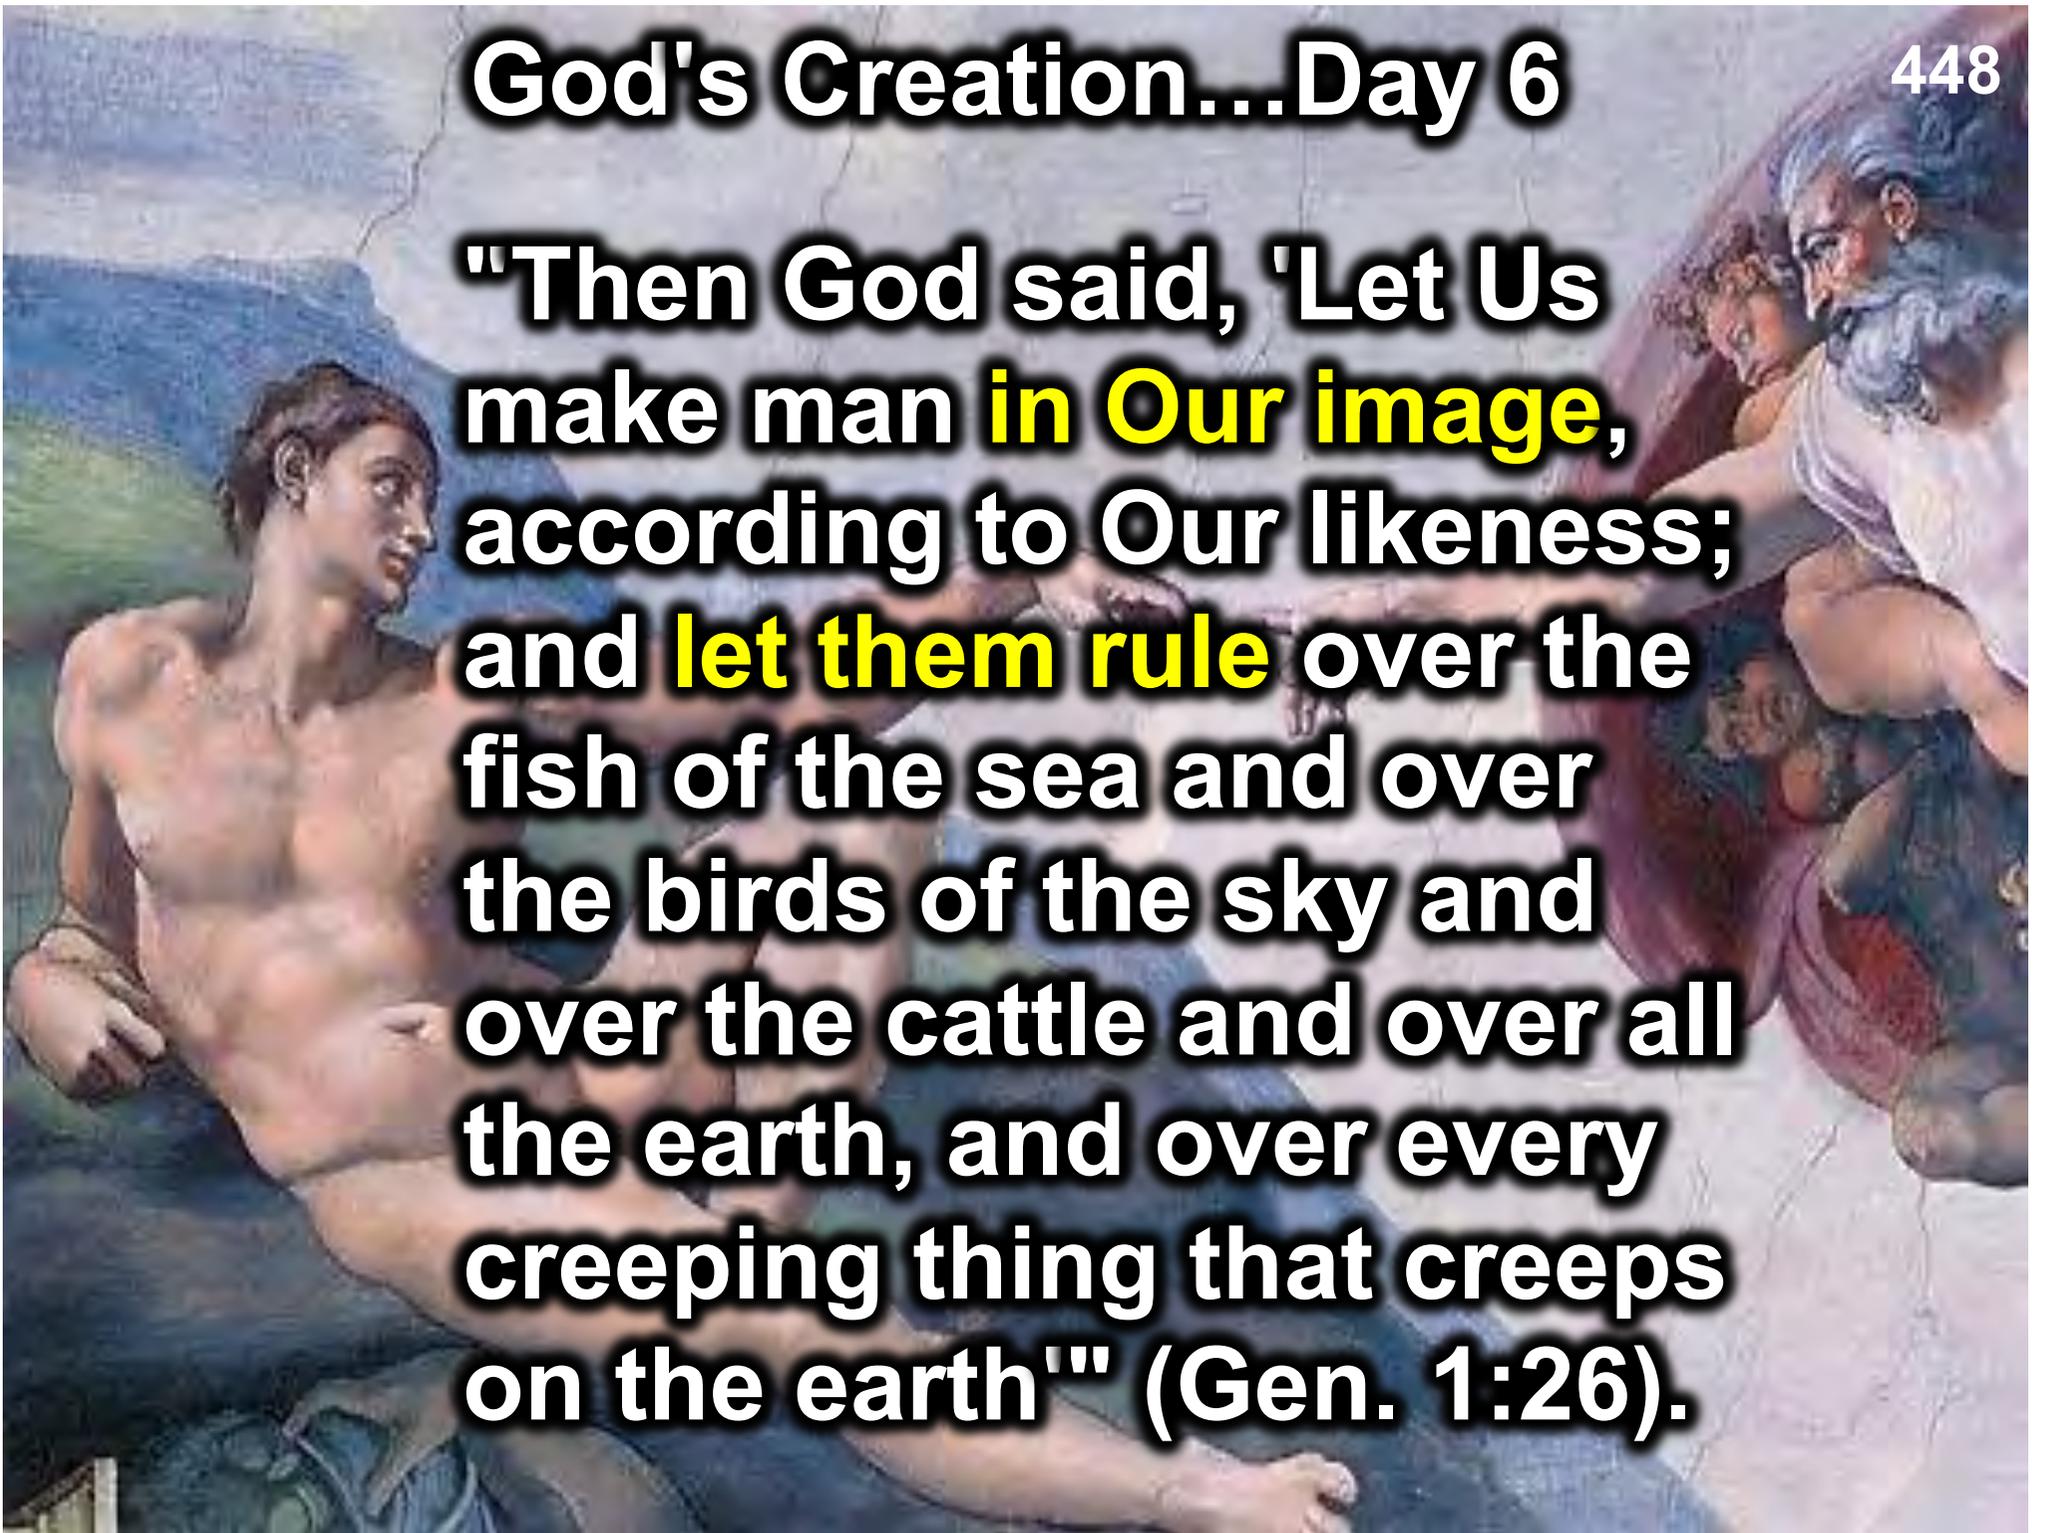

There was evening and there was morning, a fifth day (23).

"Then God said, 'Let the earth bring forth living creatures after their kind: cattle and creeping things and beasts of the earth after their kind'; and it was so. God made the beasts of the earth after their kind, and the cattle after their kind, and everything that creeps on the ground after its kind; and God saw that it was good" (Gen. 1:24-25).

God's Creation...Day 6

"Then God said, 'Let Us make man **in Our image**, according to Our likeness; and **let them rule** over the fish of the sea and over the birds of the sky and over the cattle and over all the earth, and over every creeping thing that creeps on the earth'" (Gen. 1:26).

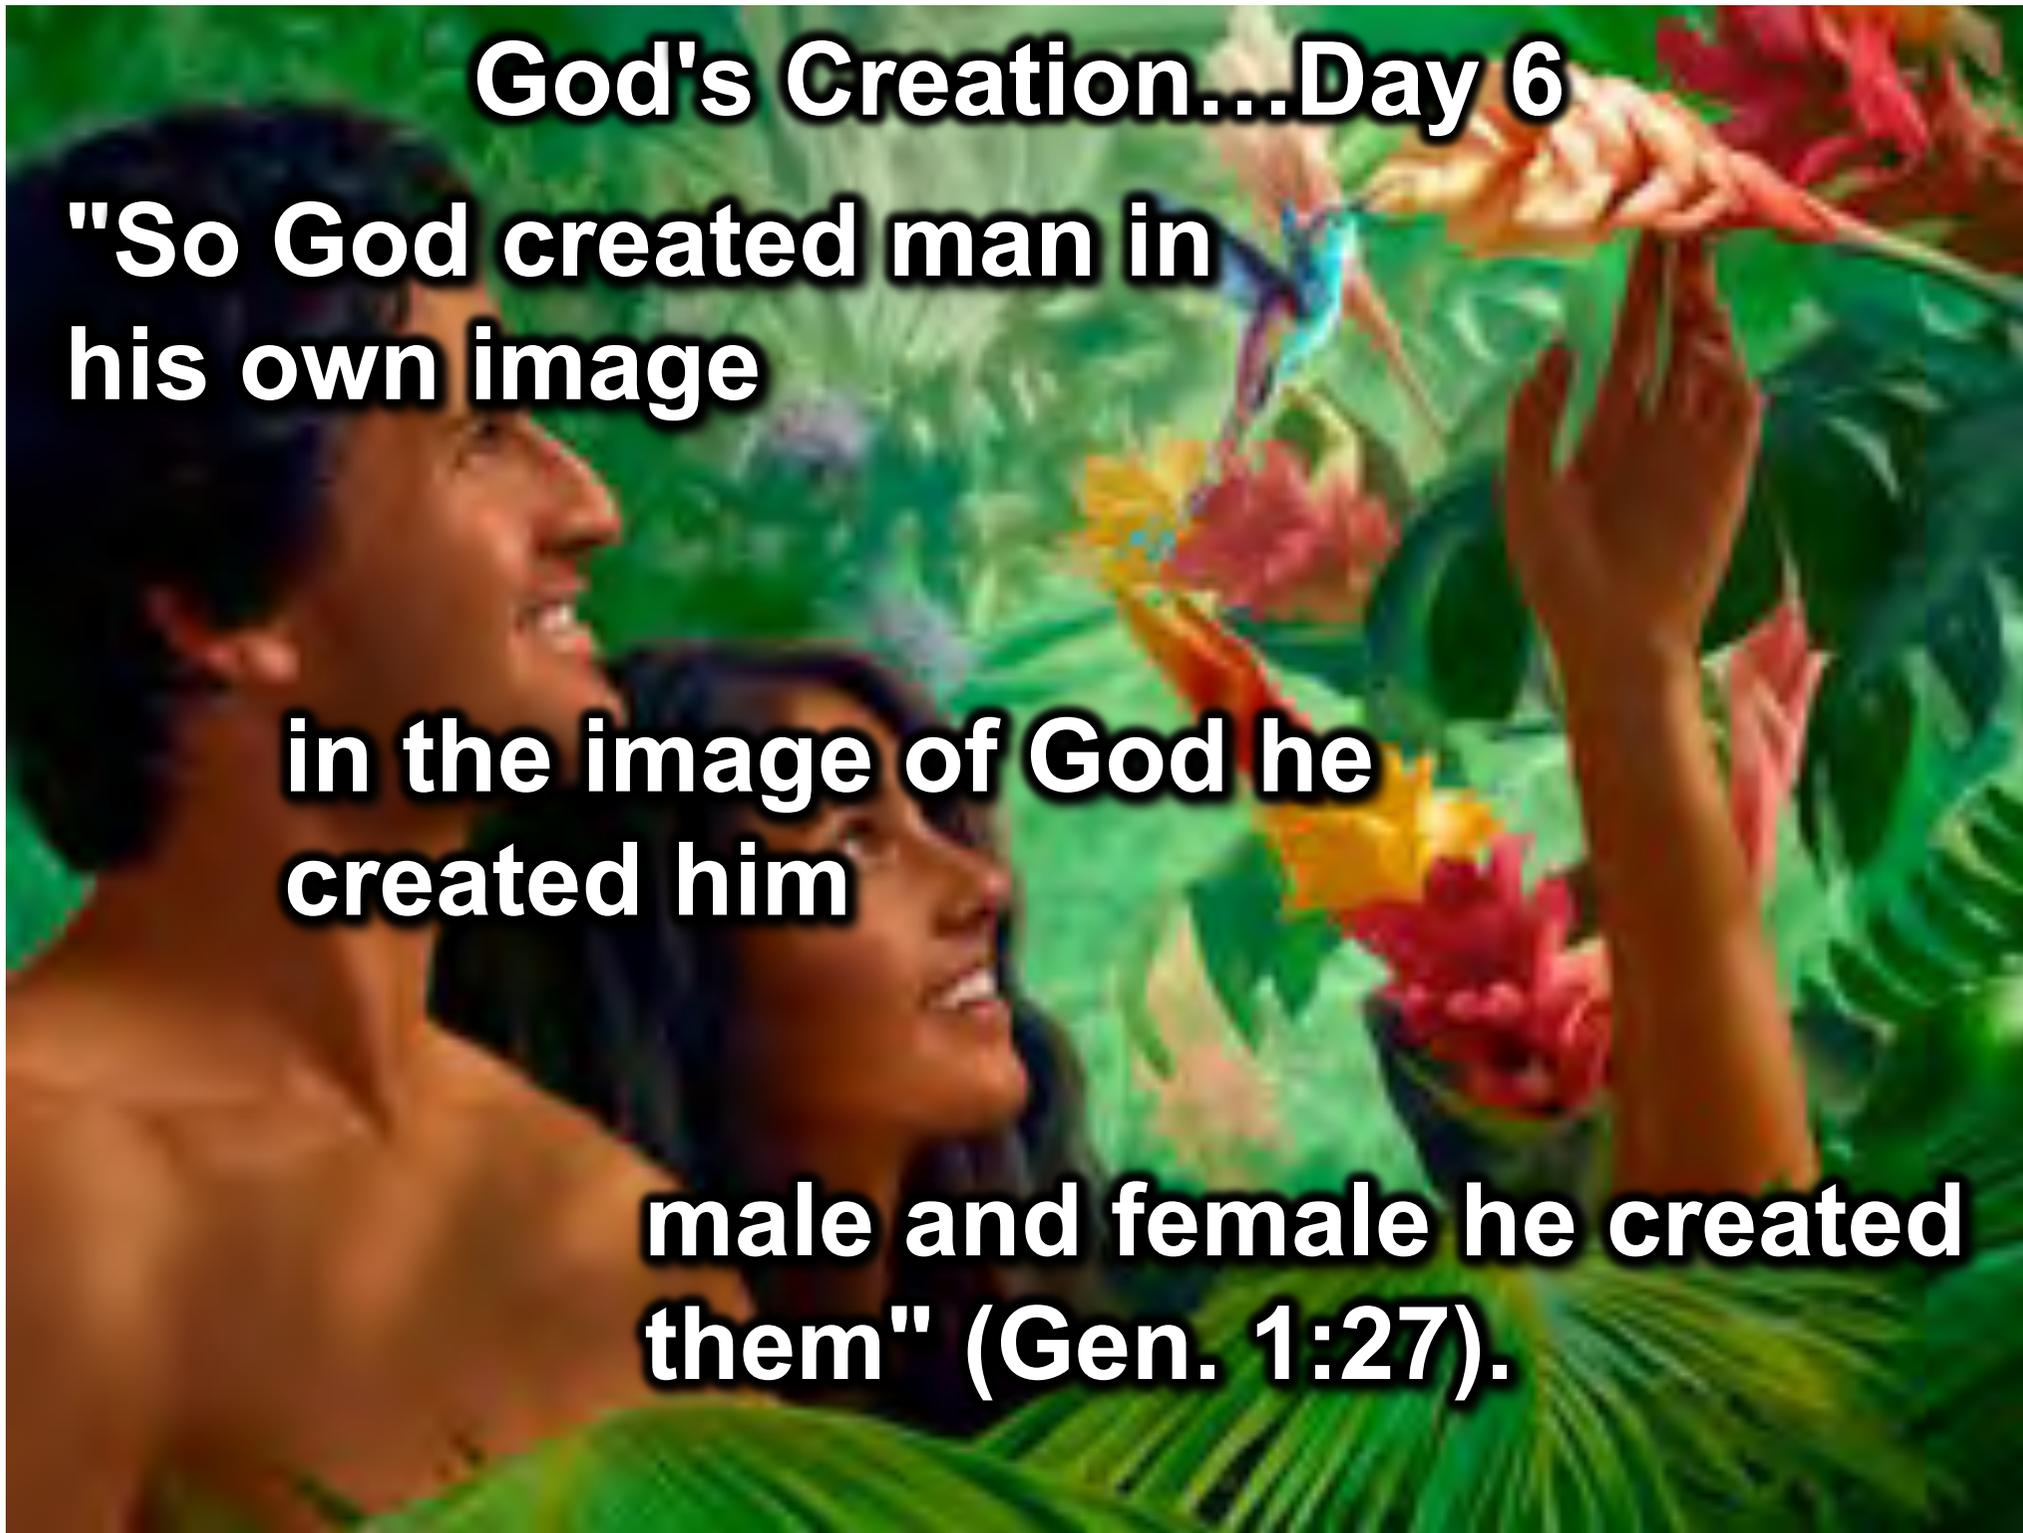

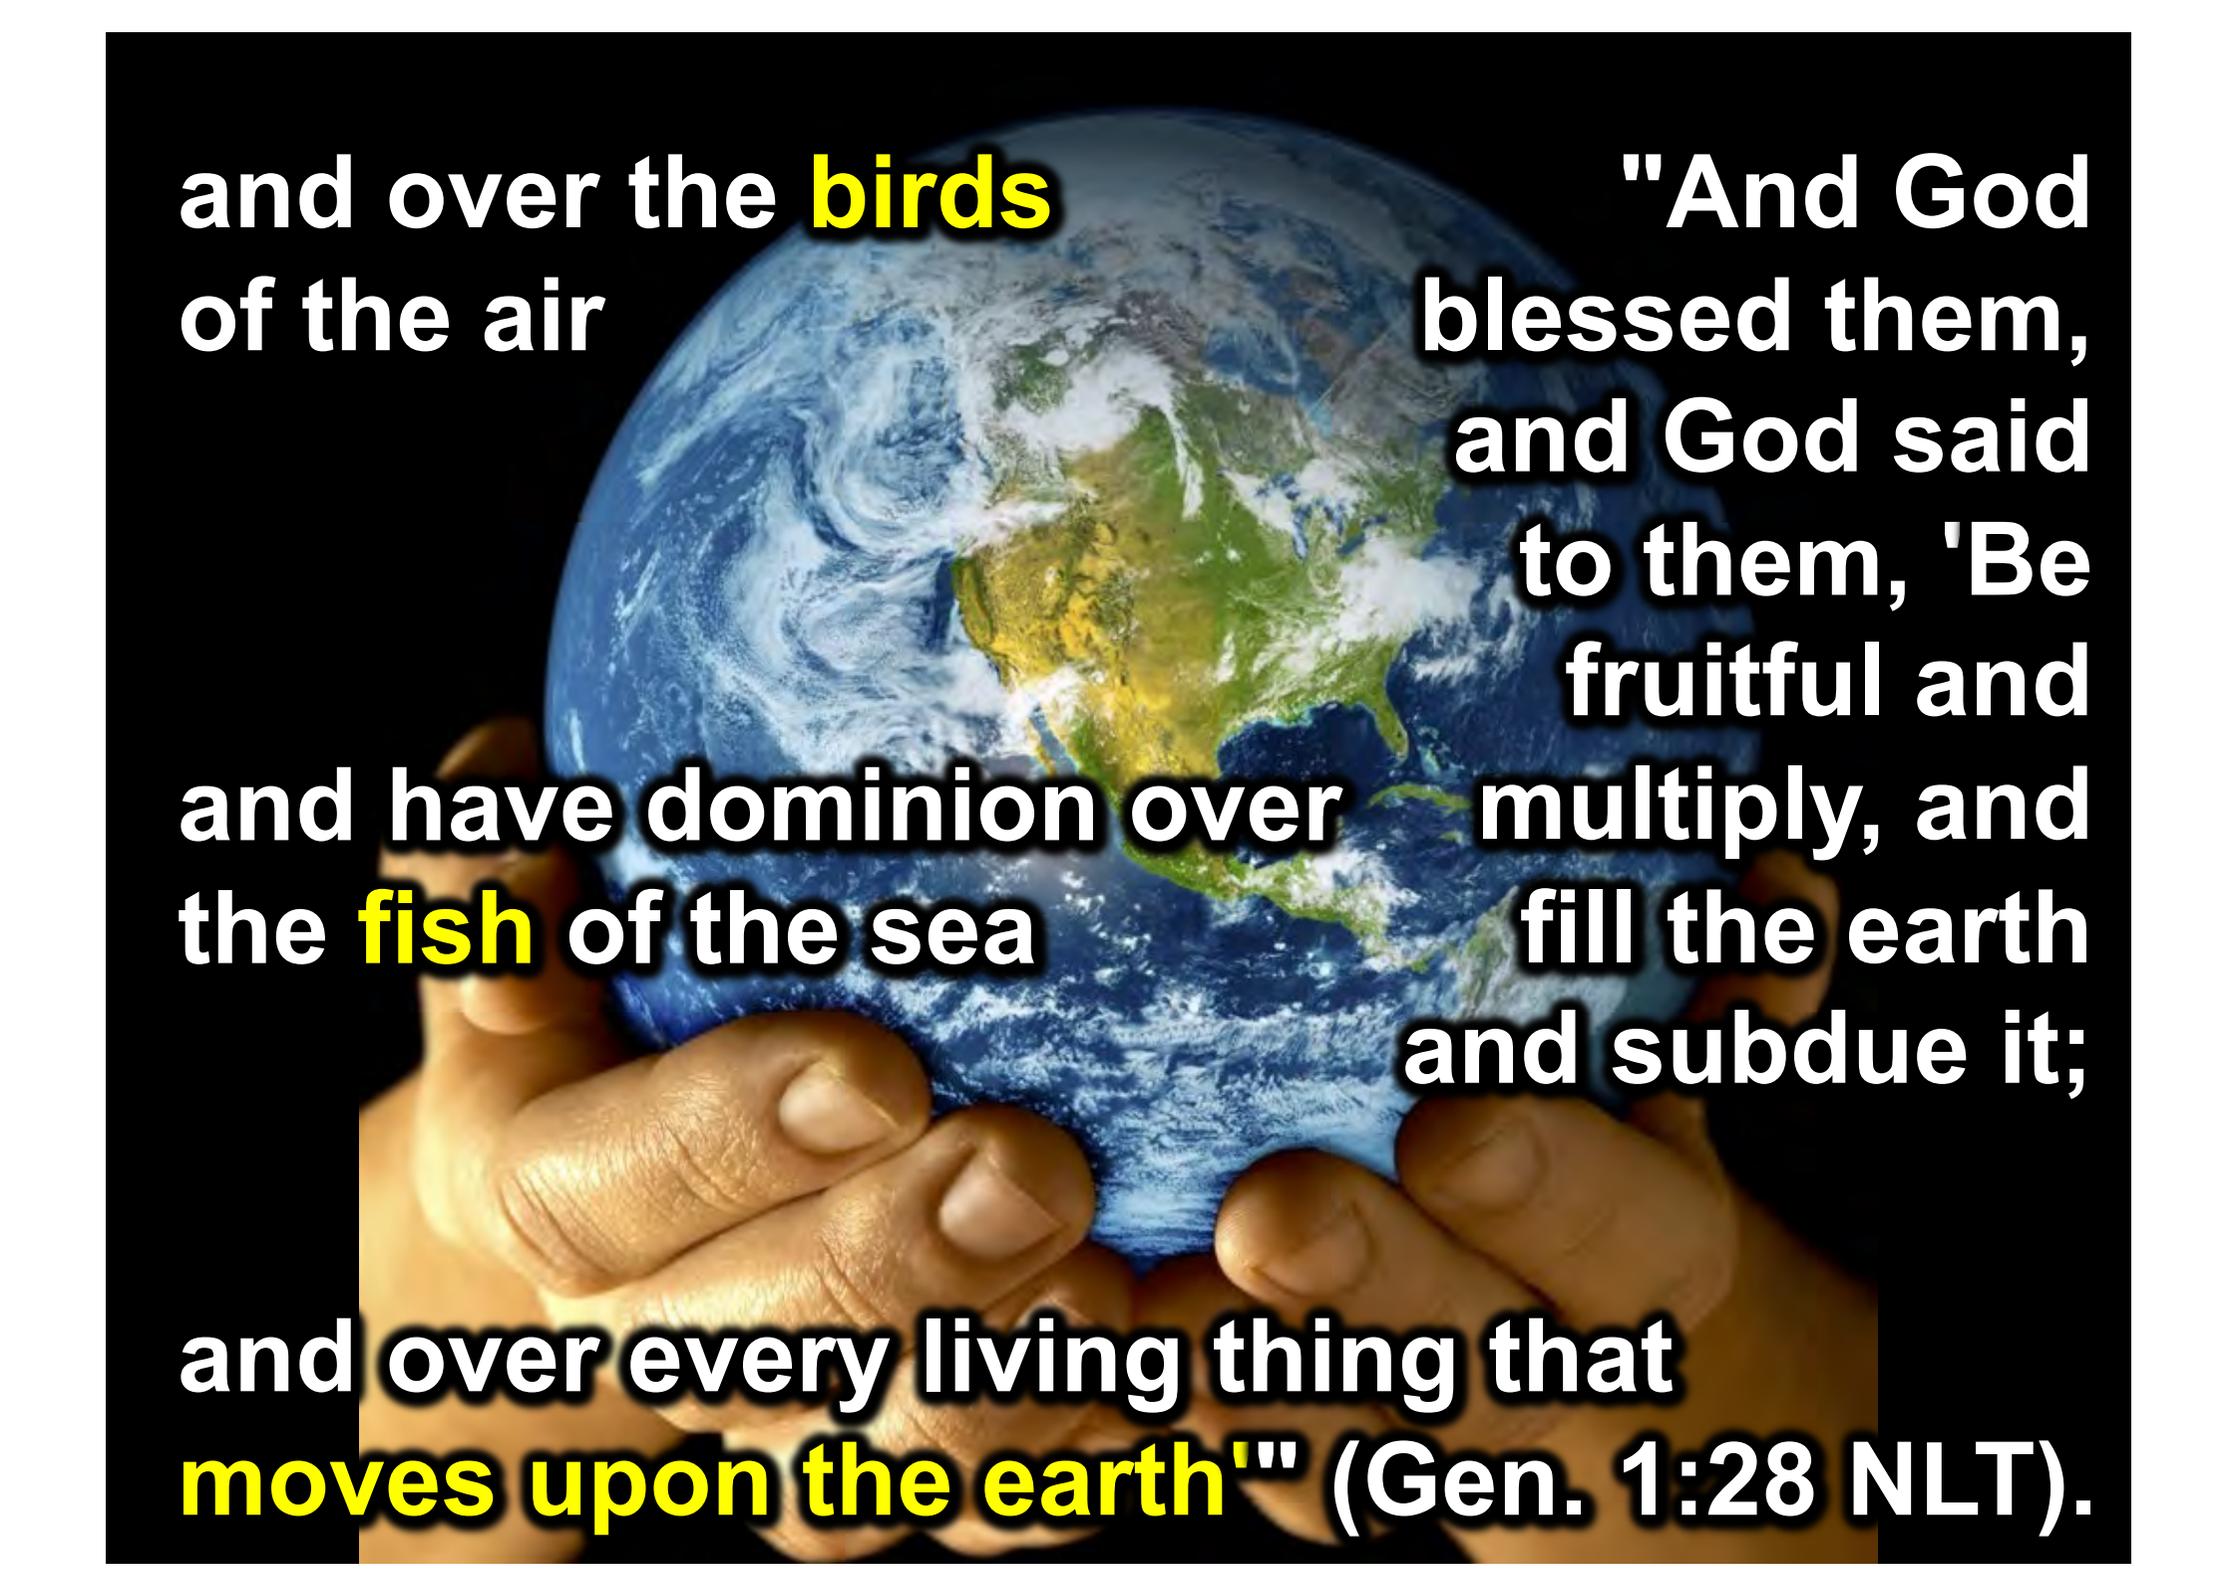

God's Creation...Day 6

**"So God created man in
his own image**

**in the image of God he
created him**

**male and female he created
them" (Gen. 1:27).**

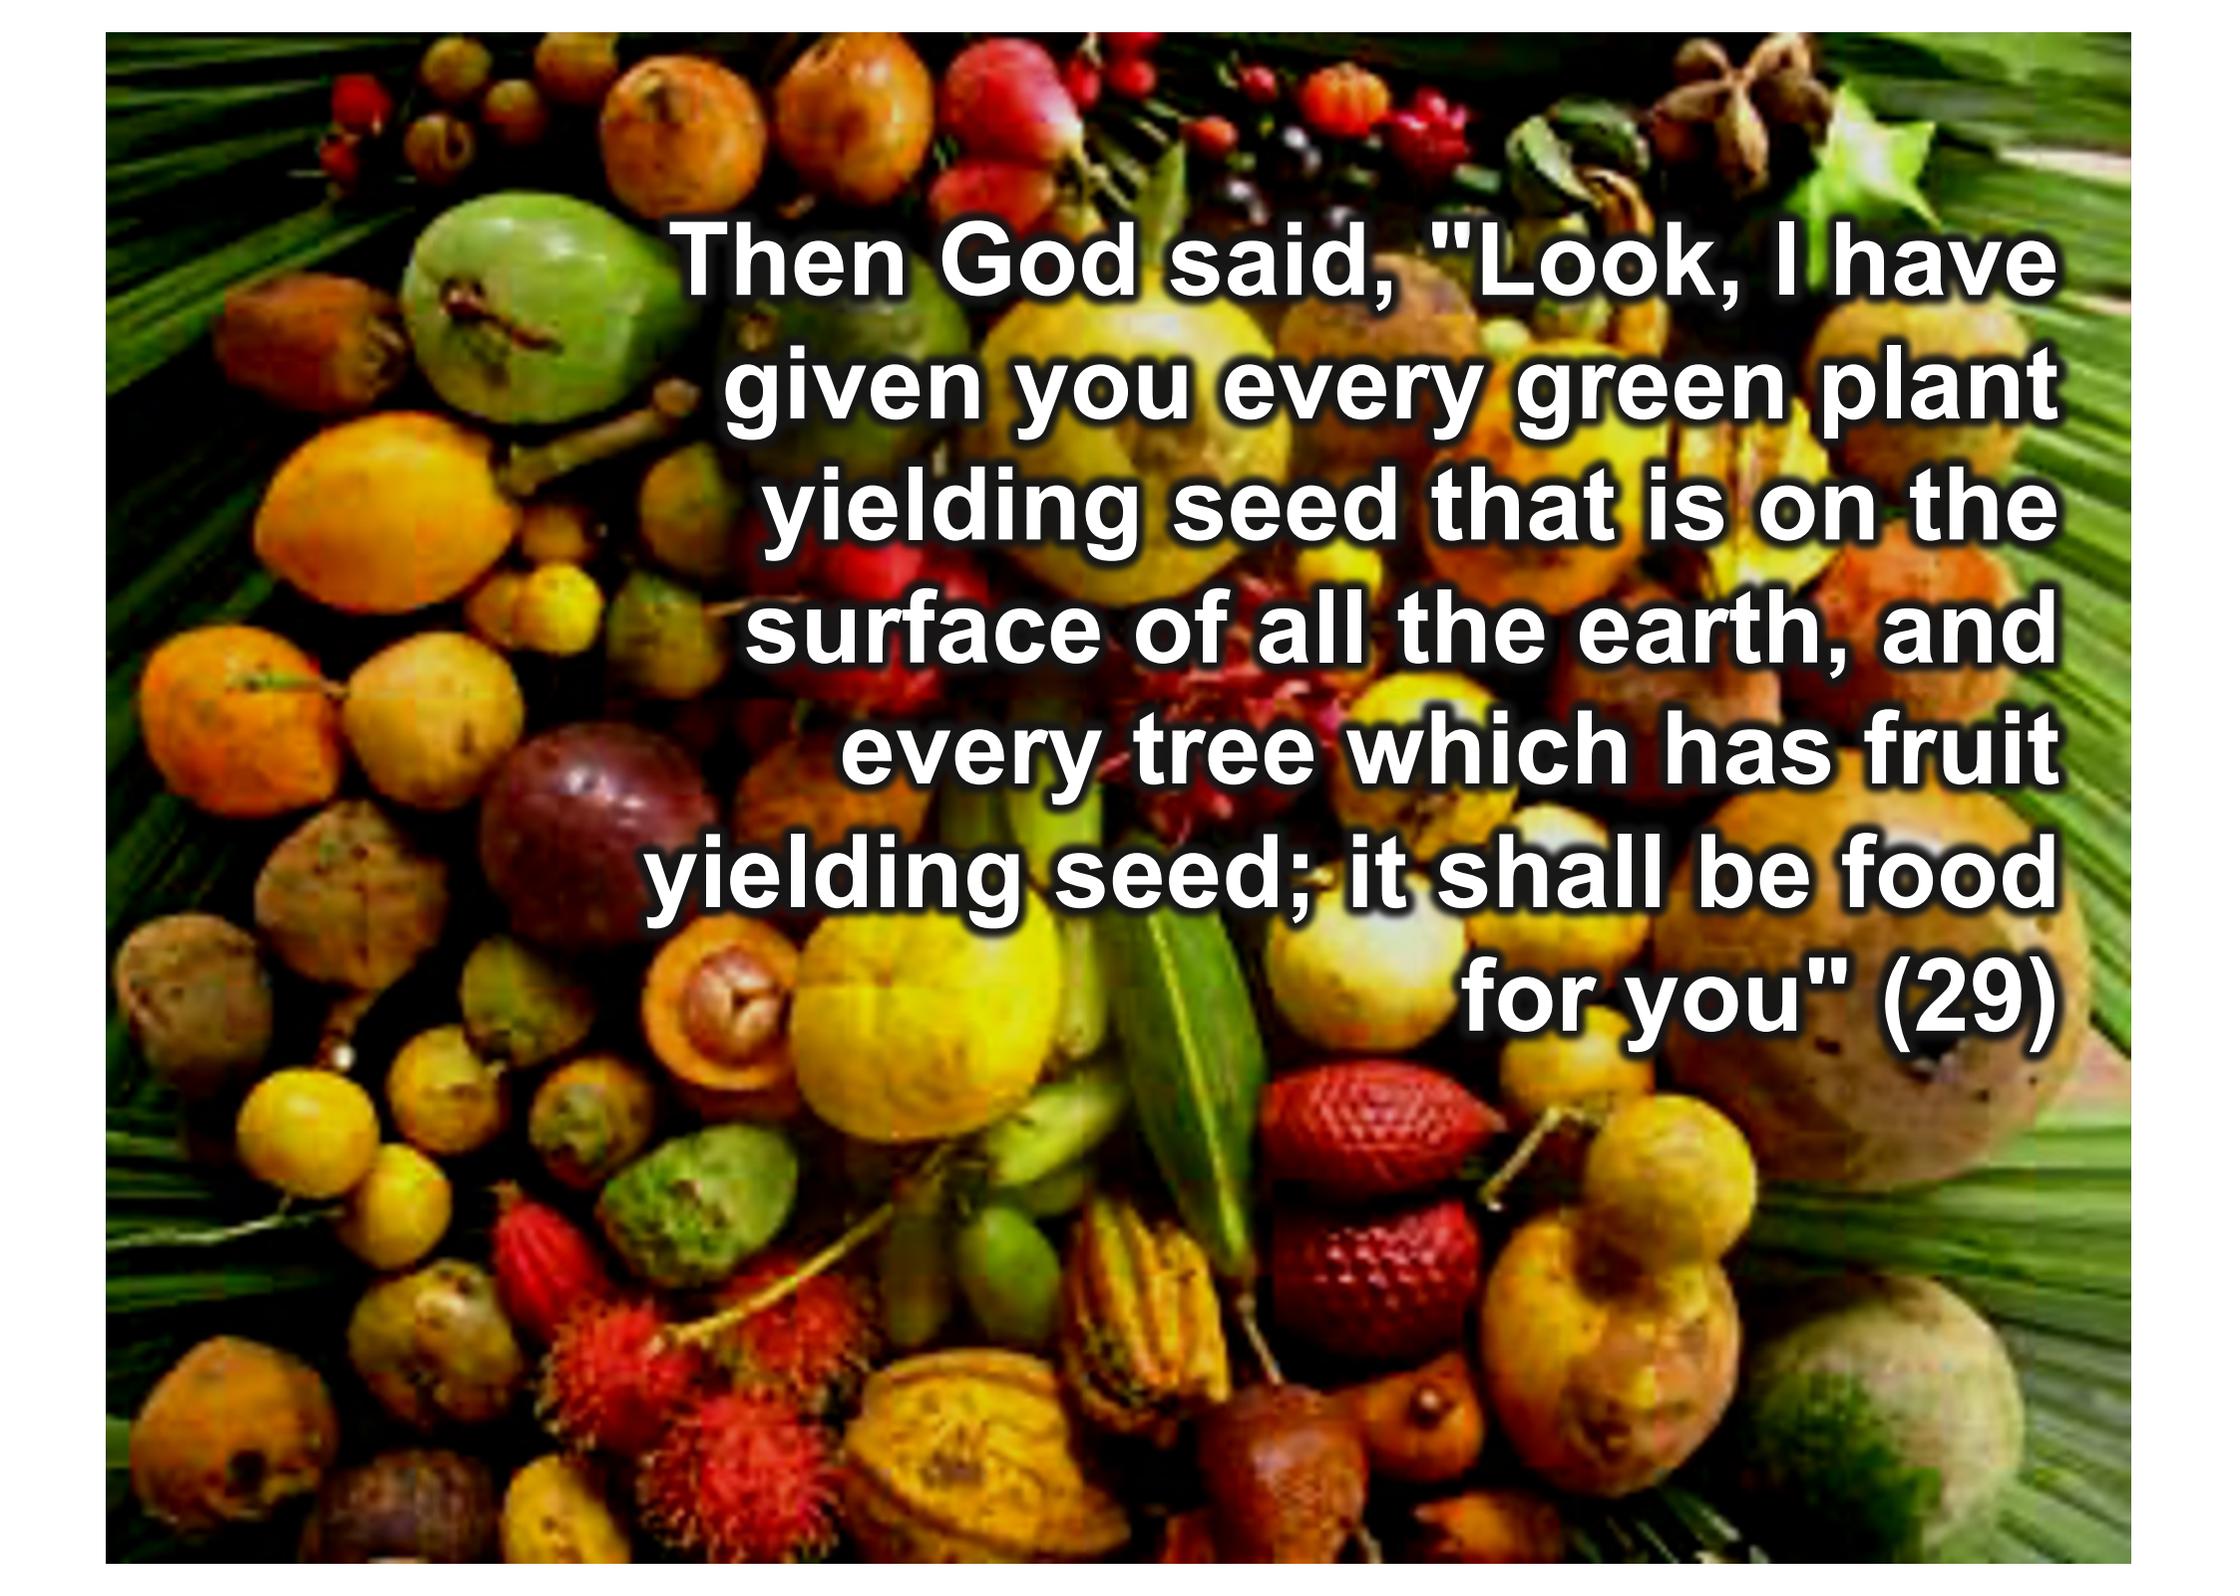

A pair of hands is shown holding a small, realistic globe of the Earth. The globe is centered on the Americas, showing North and South America in green and yellow, surrounded by blue oceans and white clouds. The hands are positioned at the bottom and sides of the globe, with fingers visible. The background is solid black.

and over the **birds**
of the air

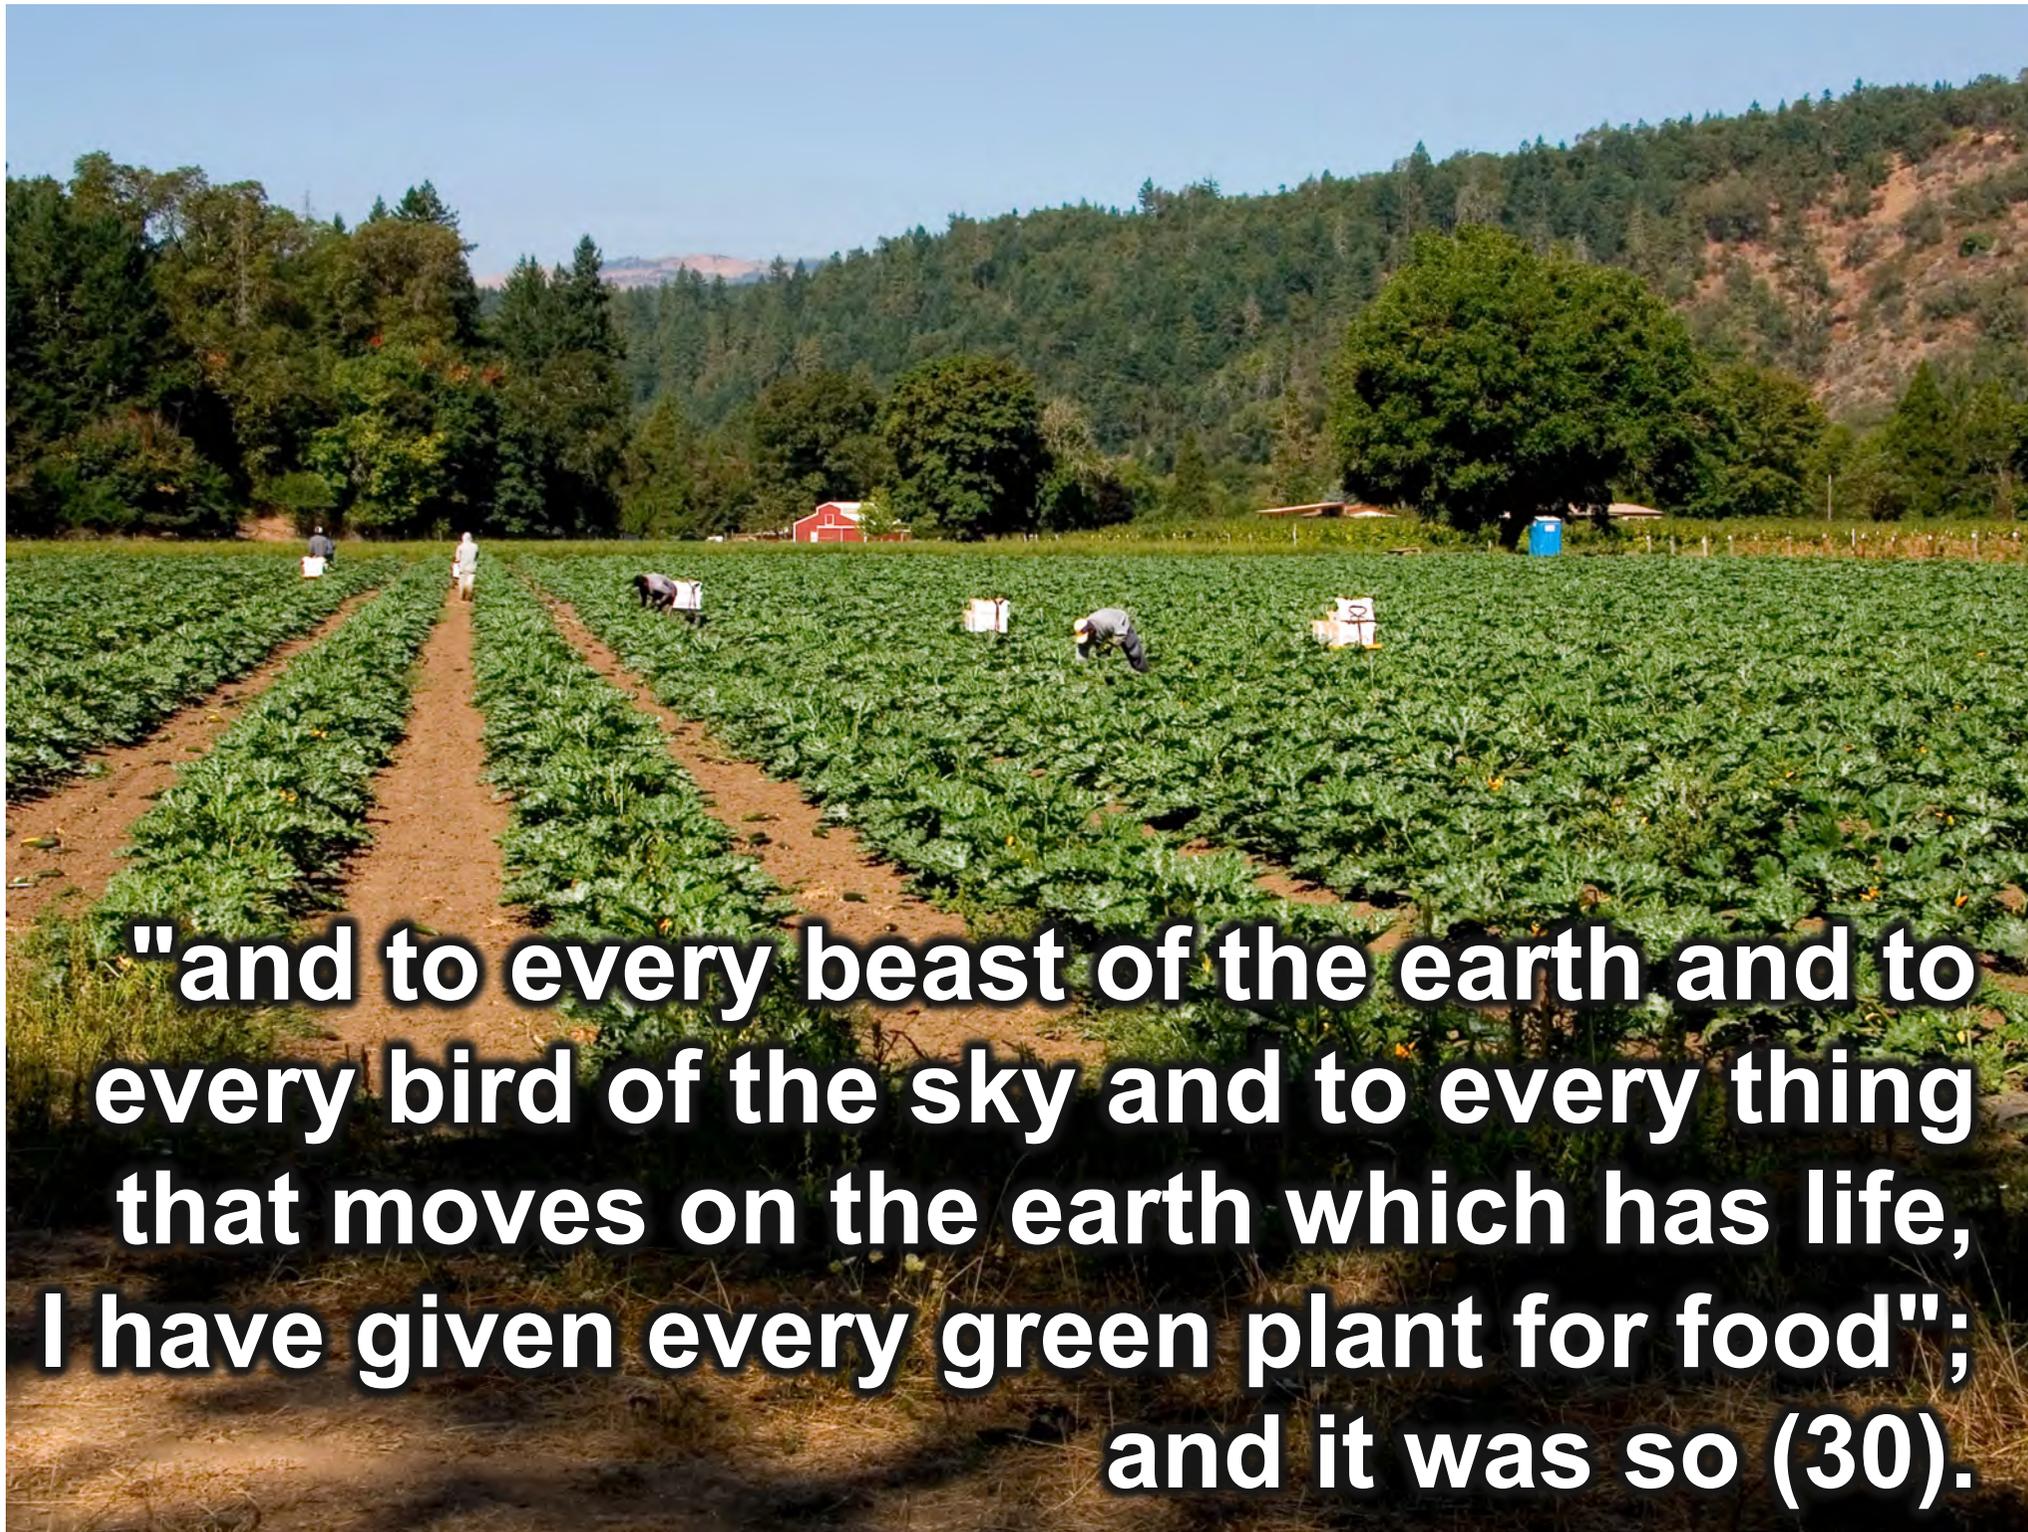

and have dominion over
the **fish** of the sea

and over every living thing that
moves upon the earth" (Gen. 1:28 NLT).

"And God
blessed them,
and God said
to them, 'Be
fruitful and
multiply, and
fill the earth
and subdue it;

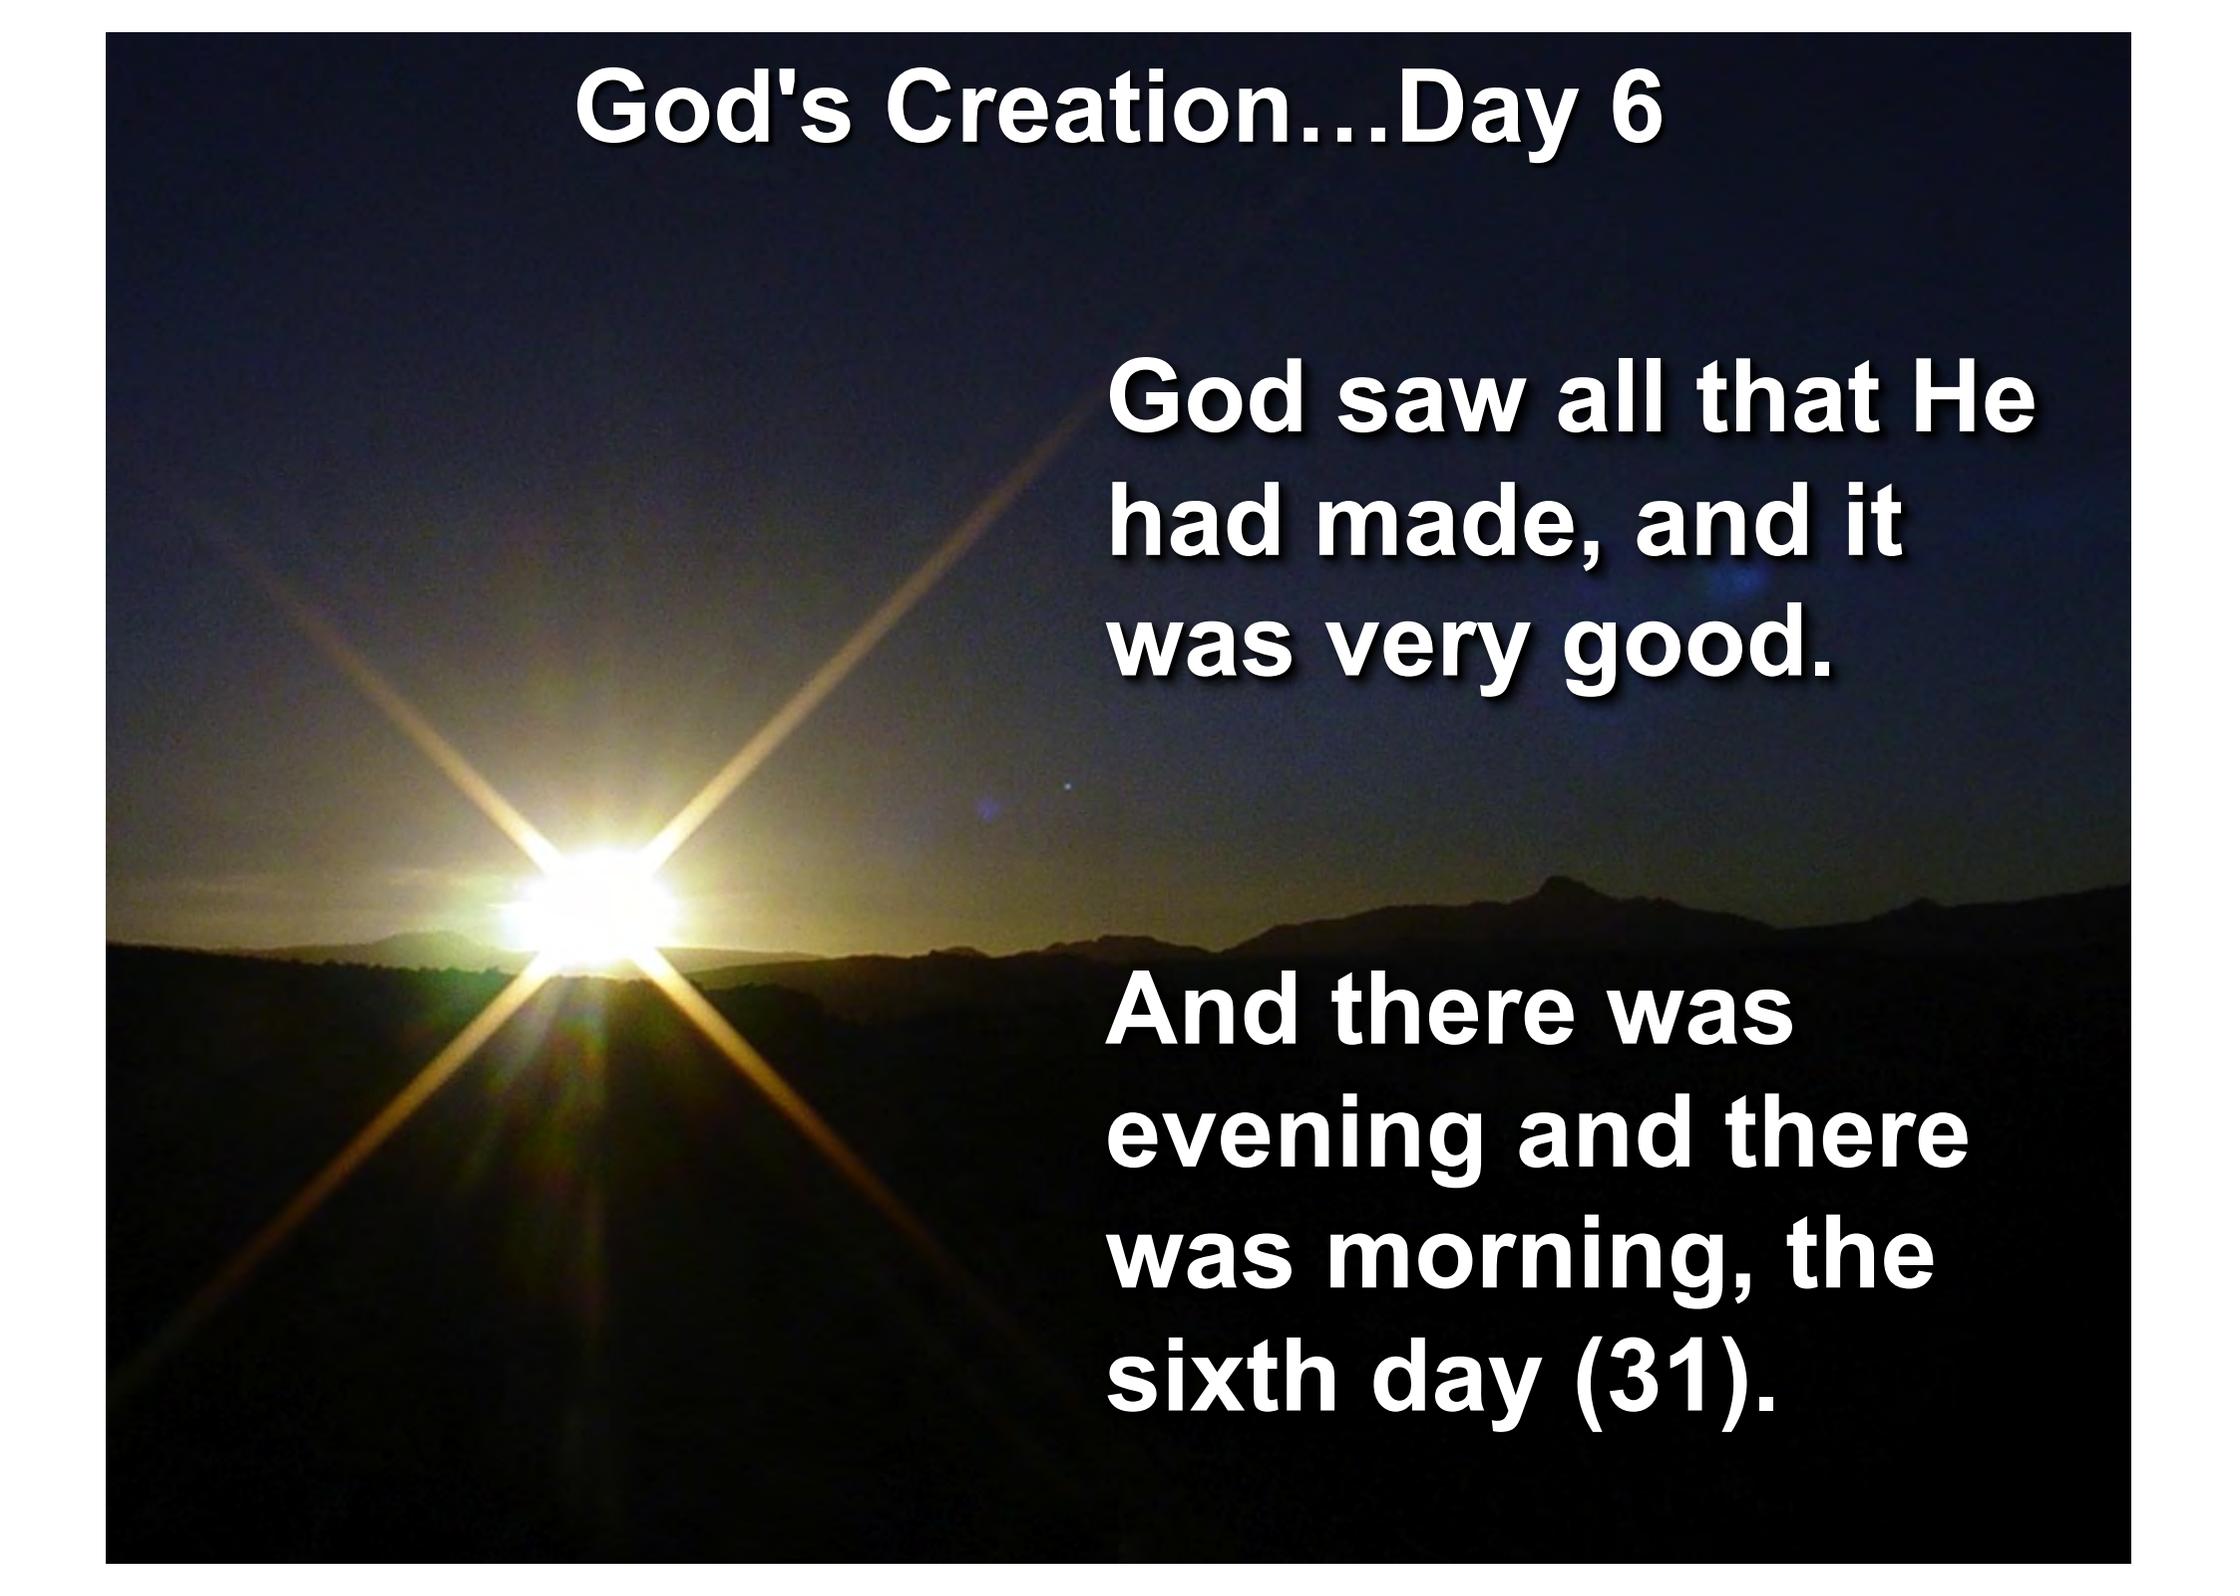

Then God said, "Look, I have given you every green plant yielding seed that is on the surface of all the earth, and every tree which has fruit yielding seed; it shall be food for you" (29)

"and to every beast of the earth and to every bird of the sky and to every thing that moves on the earth which has life, I have given every green plant for food"; and it was so (30).

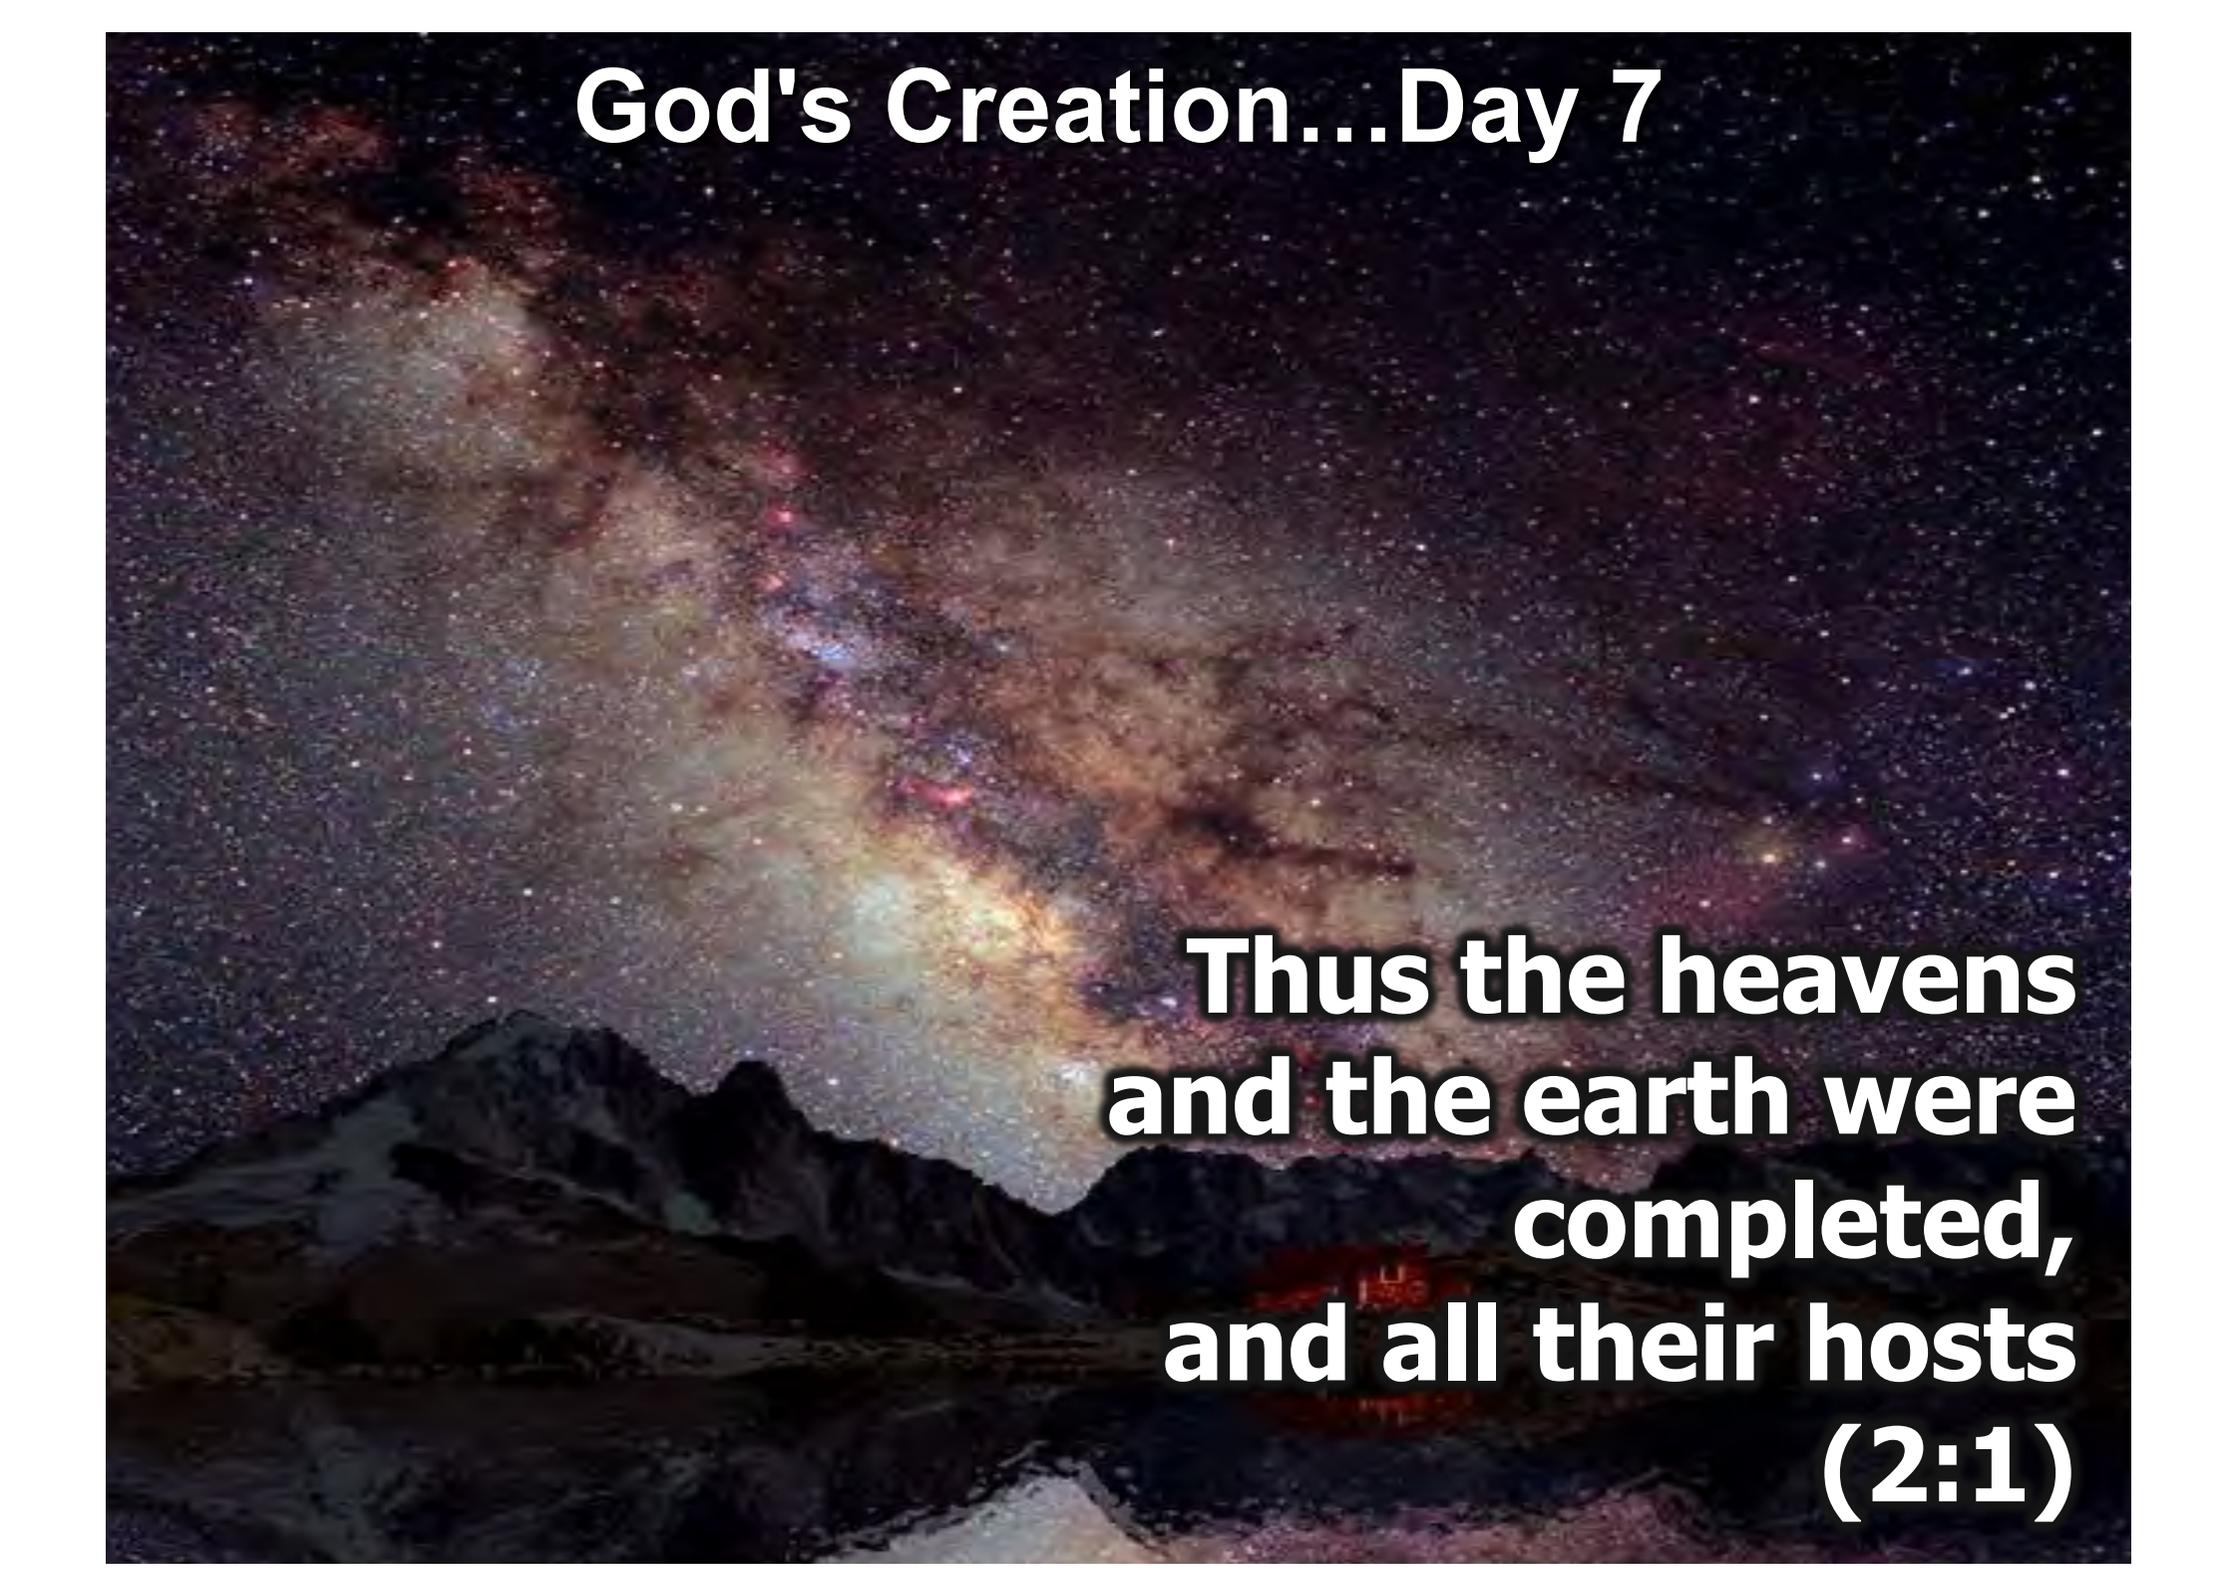

God's Creation...Day 6

A photograph of a sunset or sunrise over a mountain range. The sun is a bright, glowing orb on the left side of the frame, creating a prominent lens flare that radiates across the sky. The sky transitions from a deep blue at the top to a lighter, hazy glow near the horizon. The mountains in the foreground are silhouetted against the bright light of the sun.

God saw all that He had made, and it was very good.

And there was evening and there was morning, the sixth day (31).

God's Creation...Day 7

A night sky with the Milky Way galaxy and a mountain range. The Milky Way is a bright, multi-colored band of stars and dust stretching across the sky. The colors range from yellow and orange to blue and purple. Below the sky, a dark, silhouetted mountain range is visible against the starry background.

**Thus the heavens
and the earth were
completed,
and all their hosts
(2:1)**

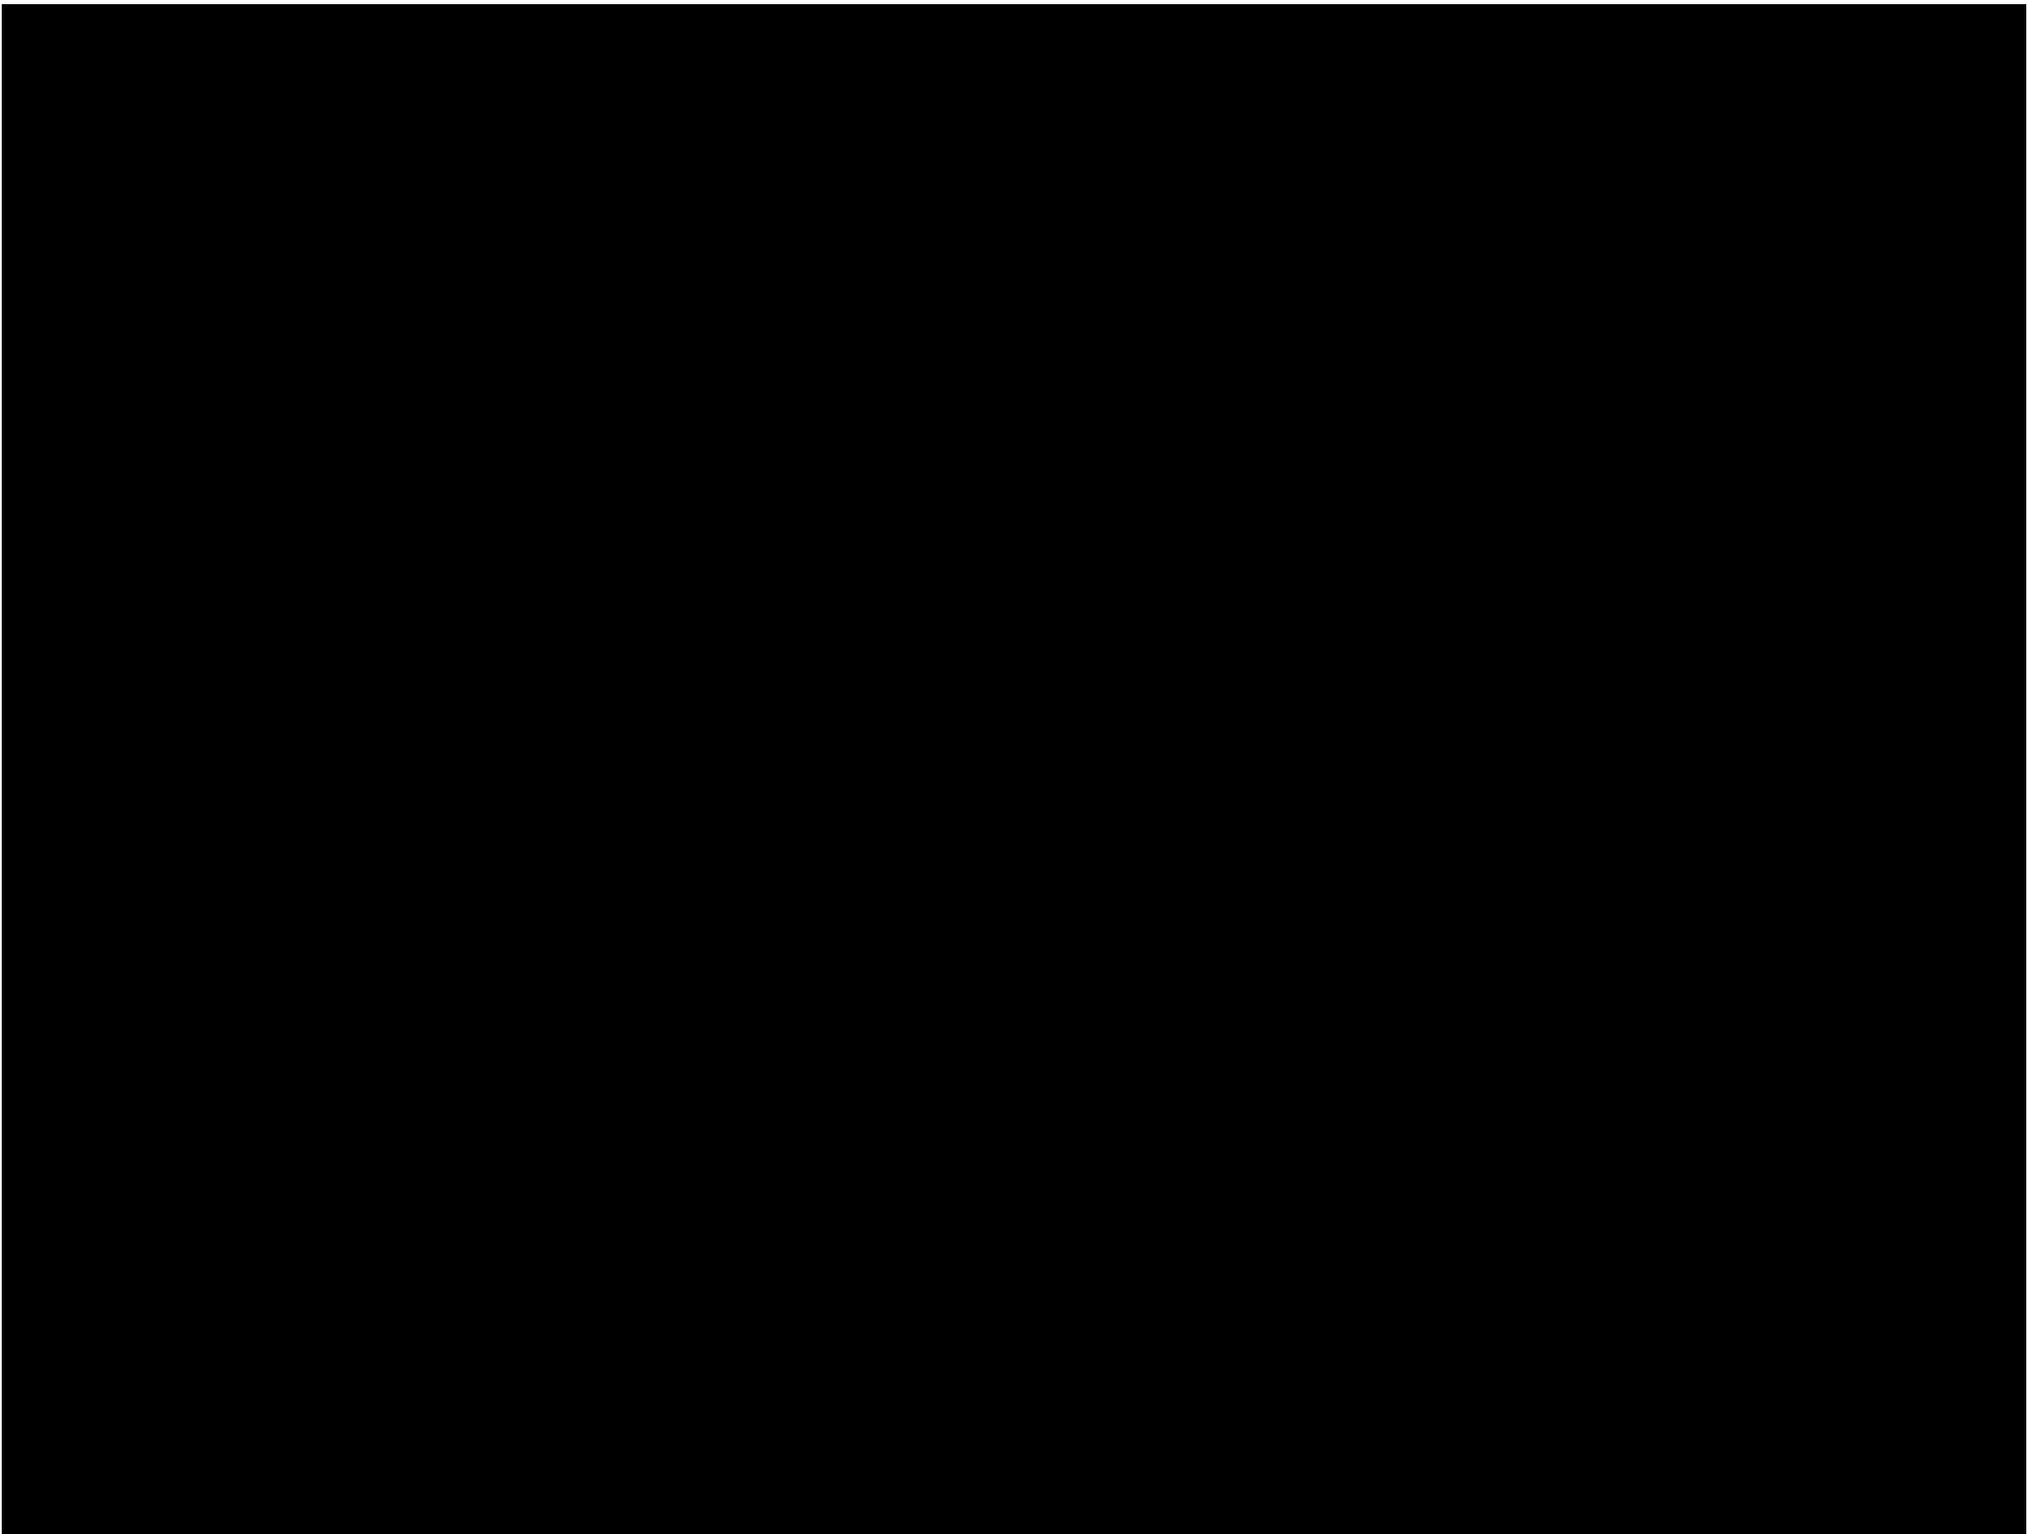

God's Creation...Day 7

By the seventh day God completed His work which He had done, and He rested on the seventh day from all His work which He had done (2:2).

God's Creation...Day 7

Then God blessed the seventh day and sanctified it, because in it He rested from all His work which God had created and made (2:3).

The Importance of Genesis

והנחש היה ערום מכל חית השדה אשר עשה יְהוָה אלהים

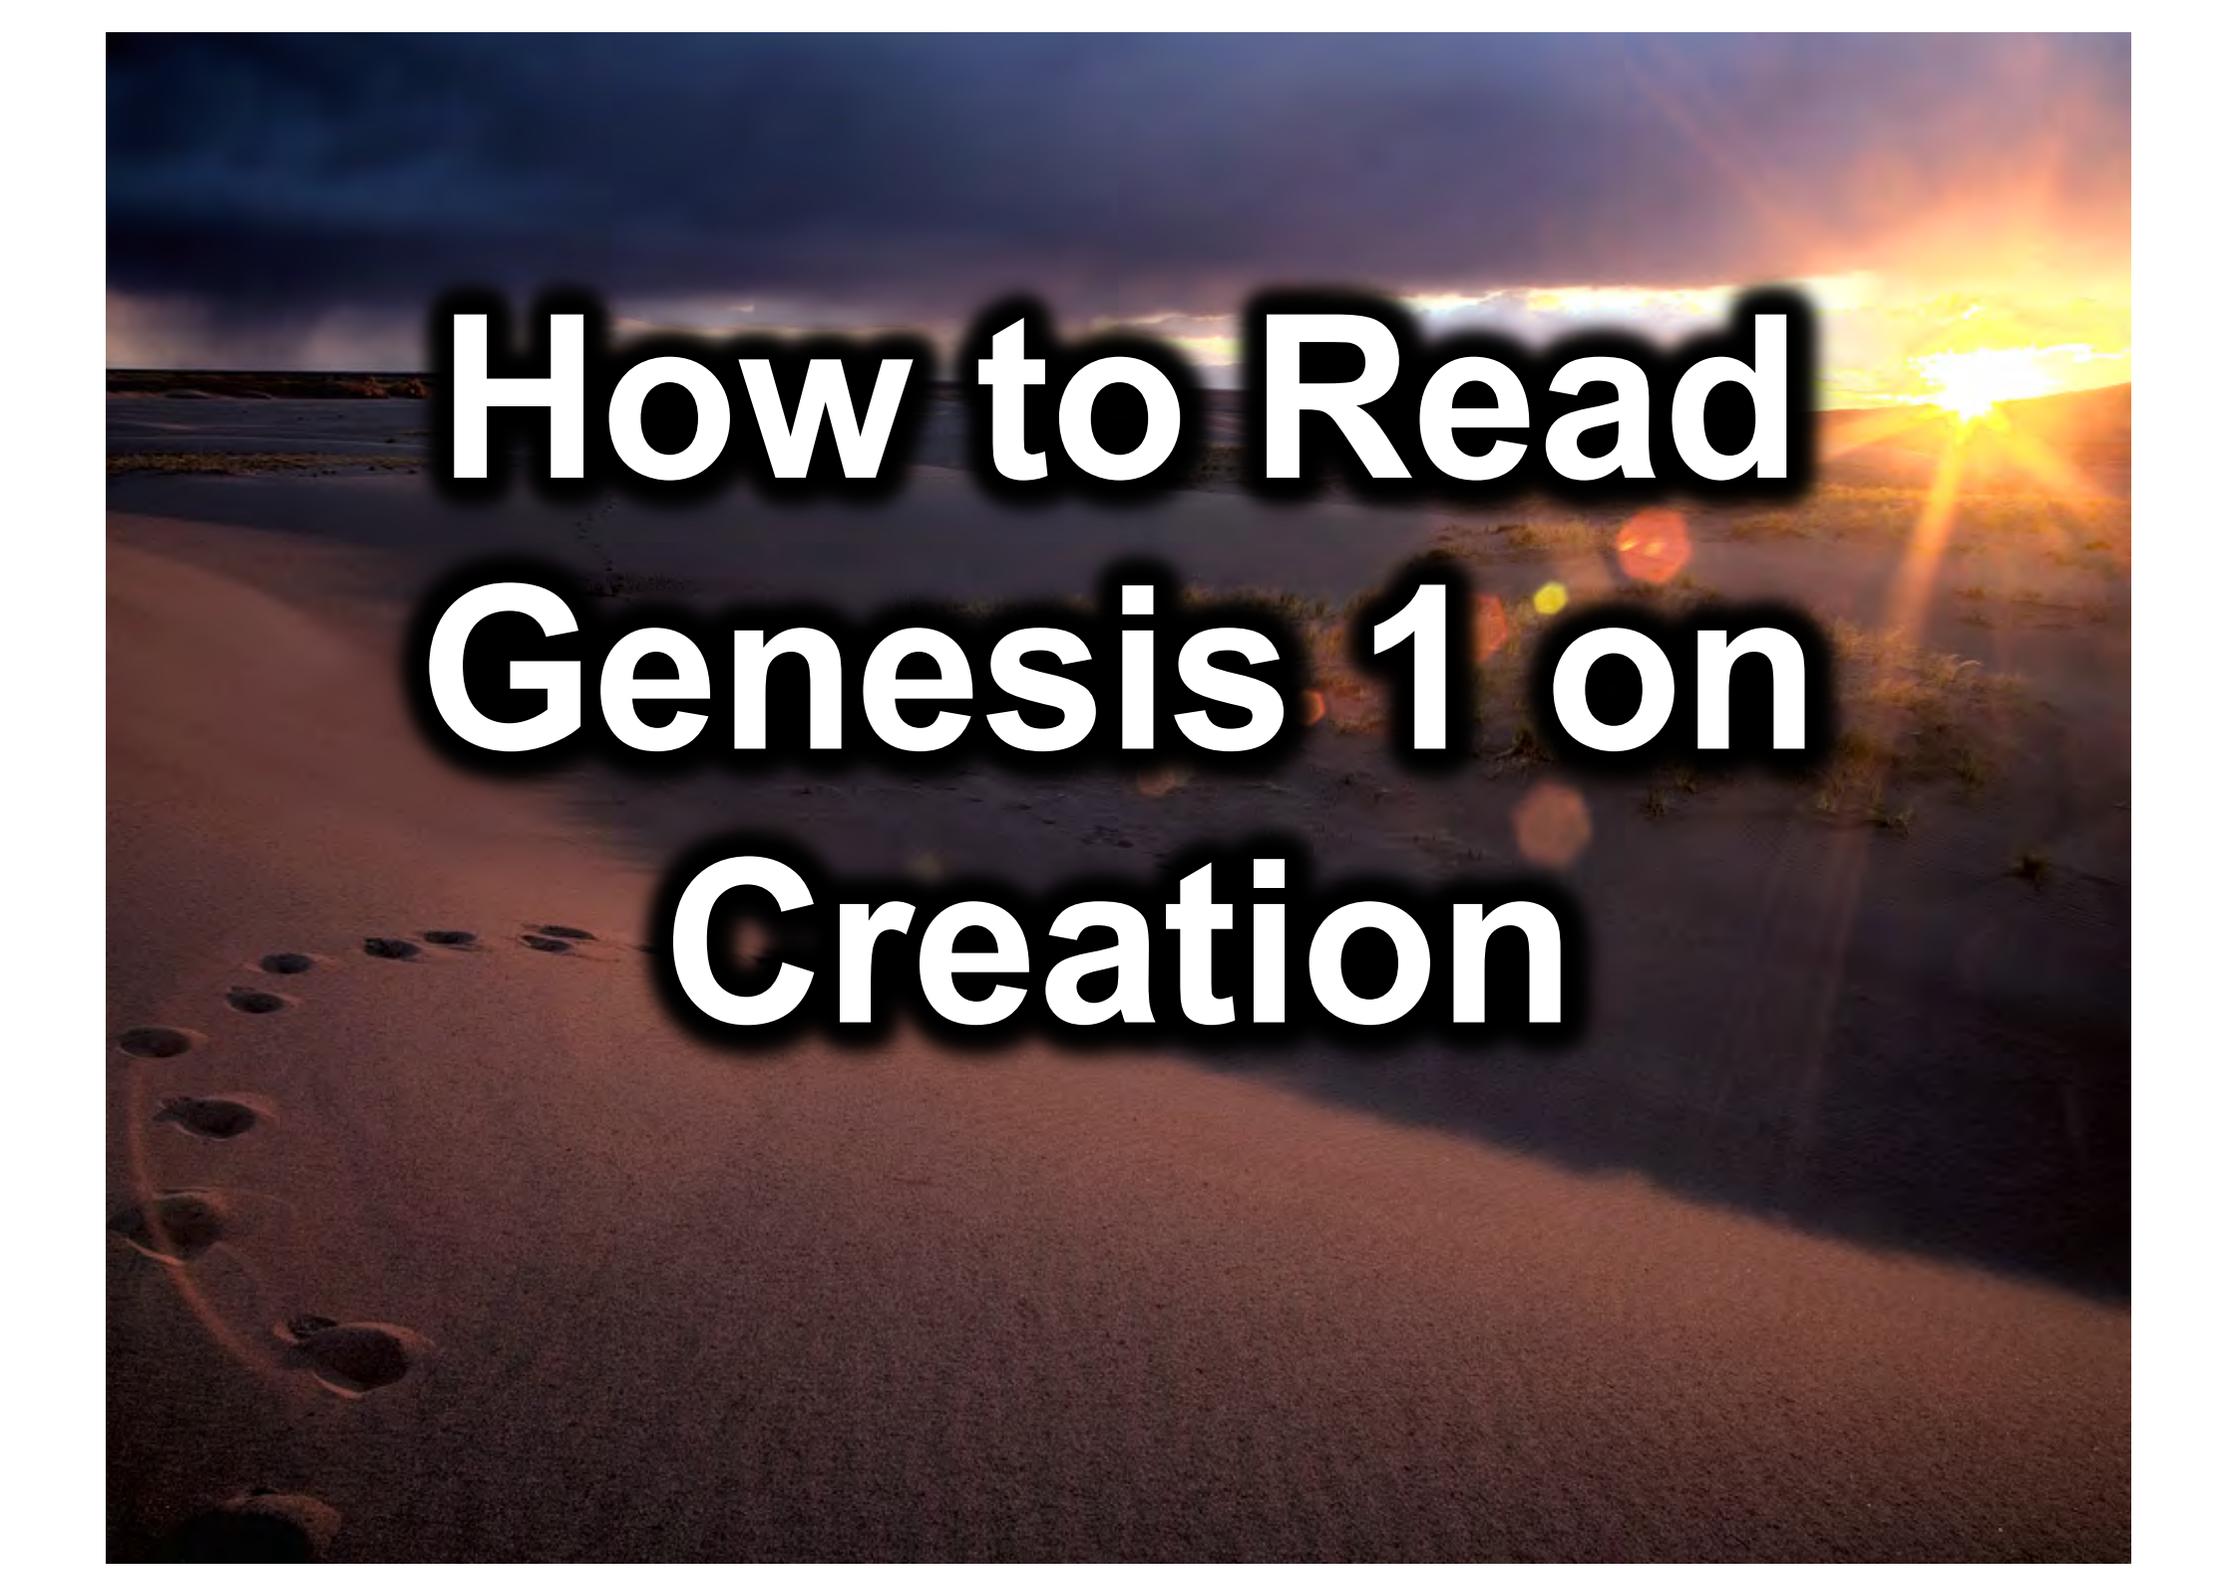

A detailed painting of a large, muscular foot, likely representing Christ, stepping on the head of a snake, symbolizing the triumph of Christ over Satan. The scene is set outdoors with a sunset or sunrise in the background. The foot is positioned over the snake's head, which is crushed under its weight. The snake's body is coiled around the foot, and its head is being crushed. The background shows a landscape with trees and a sky with warm colors, suggesting a sunset or sunrise. The overall mood is one of victory and triumph.

"And I will cause hostility between you [Satan] and the woman [Eve], and between your offspring [satanic forces] and her offspring [Cain to Christ]. He [Christ] will strike your head [Calvary], and you will strike his heel [cripple mankind]."

Genesis 3:15 (NLT)

A photograph of a sunset over a beach. The sun is low on the horizon, creating a bright orange and yellow glow that transitions into a dark blue sky. The sand is dark, and there are several footprints visible in the foreground, leading towards the water. The text is overlaid in the center of the image.

Why 24 Hours?

- *Instantaneous creation*

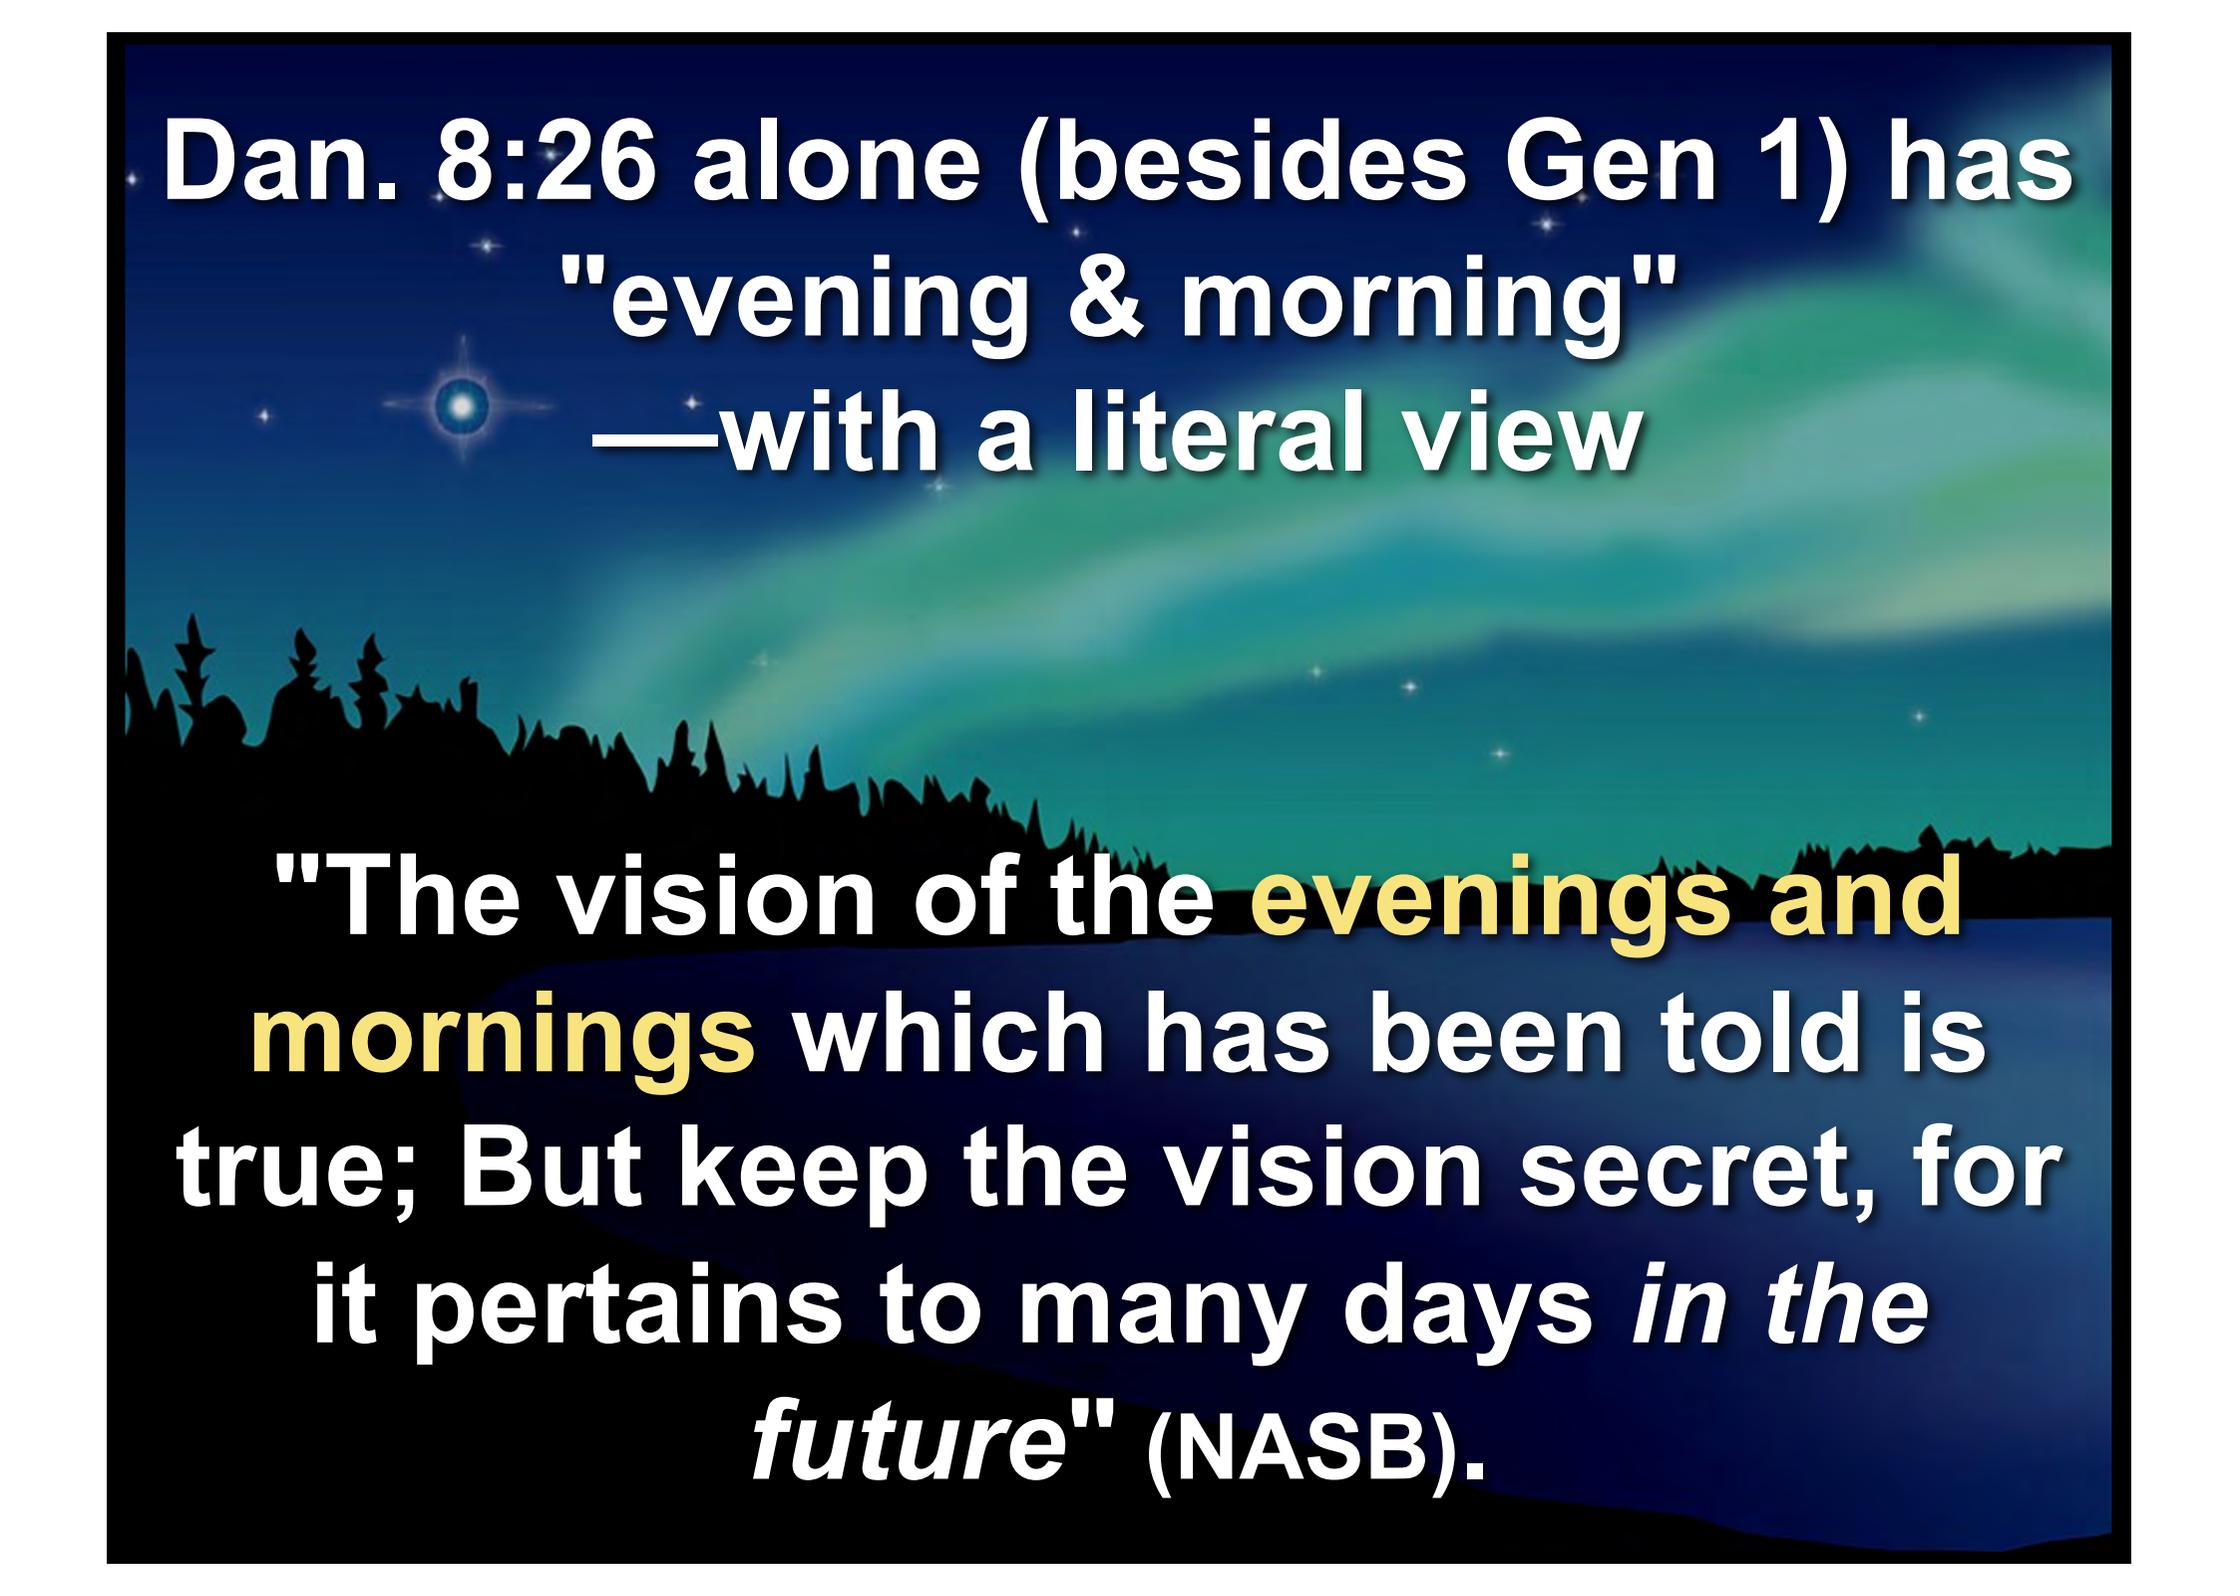

"By the word of the LORD were the heavens made, their starry host by the breath of his mouth" (Ps. 33:6)

"There is certainly no thought here of delay, or a trial-and-error process, or a gradual, step-by-step fulfillment"

*– John Whitcomb, *The Early Earth*, 24*

Why 24 Hours?

- *Instantaneous creation (Ps. 33:6)*
- *"evening and morning"*

The background of the slide is a night sky with a vibrant green aurora borealis. A bright starburst is visible on the left side. The bottom of the image shows a dark silhouette of a forest.

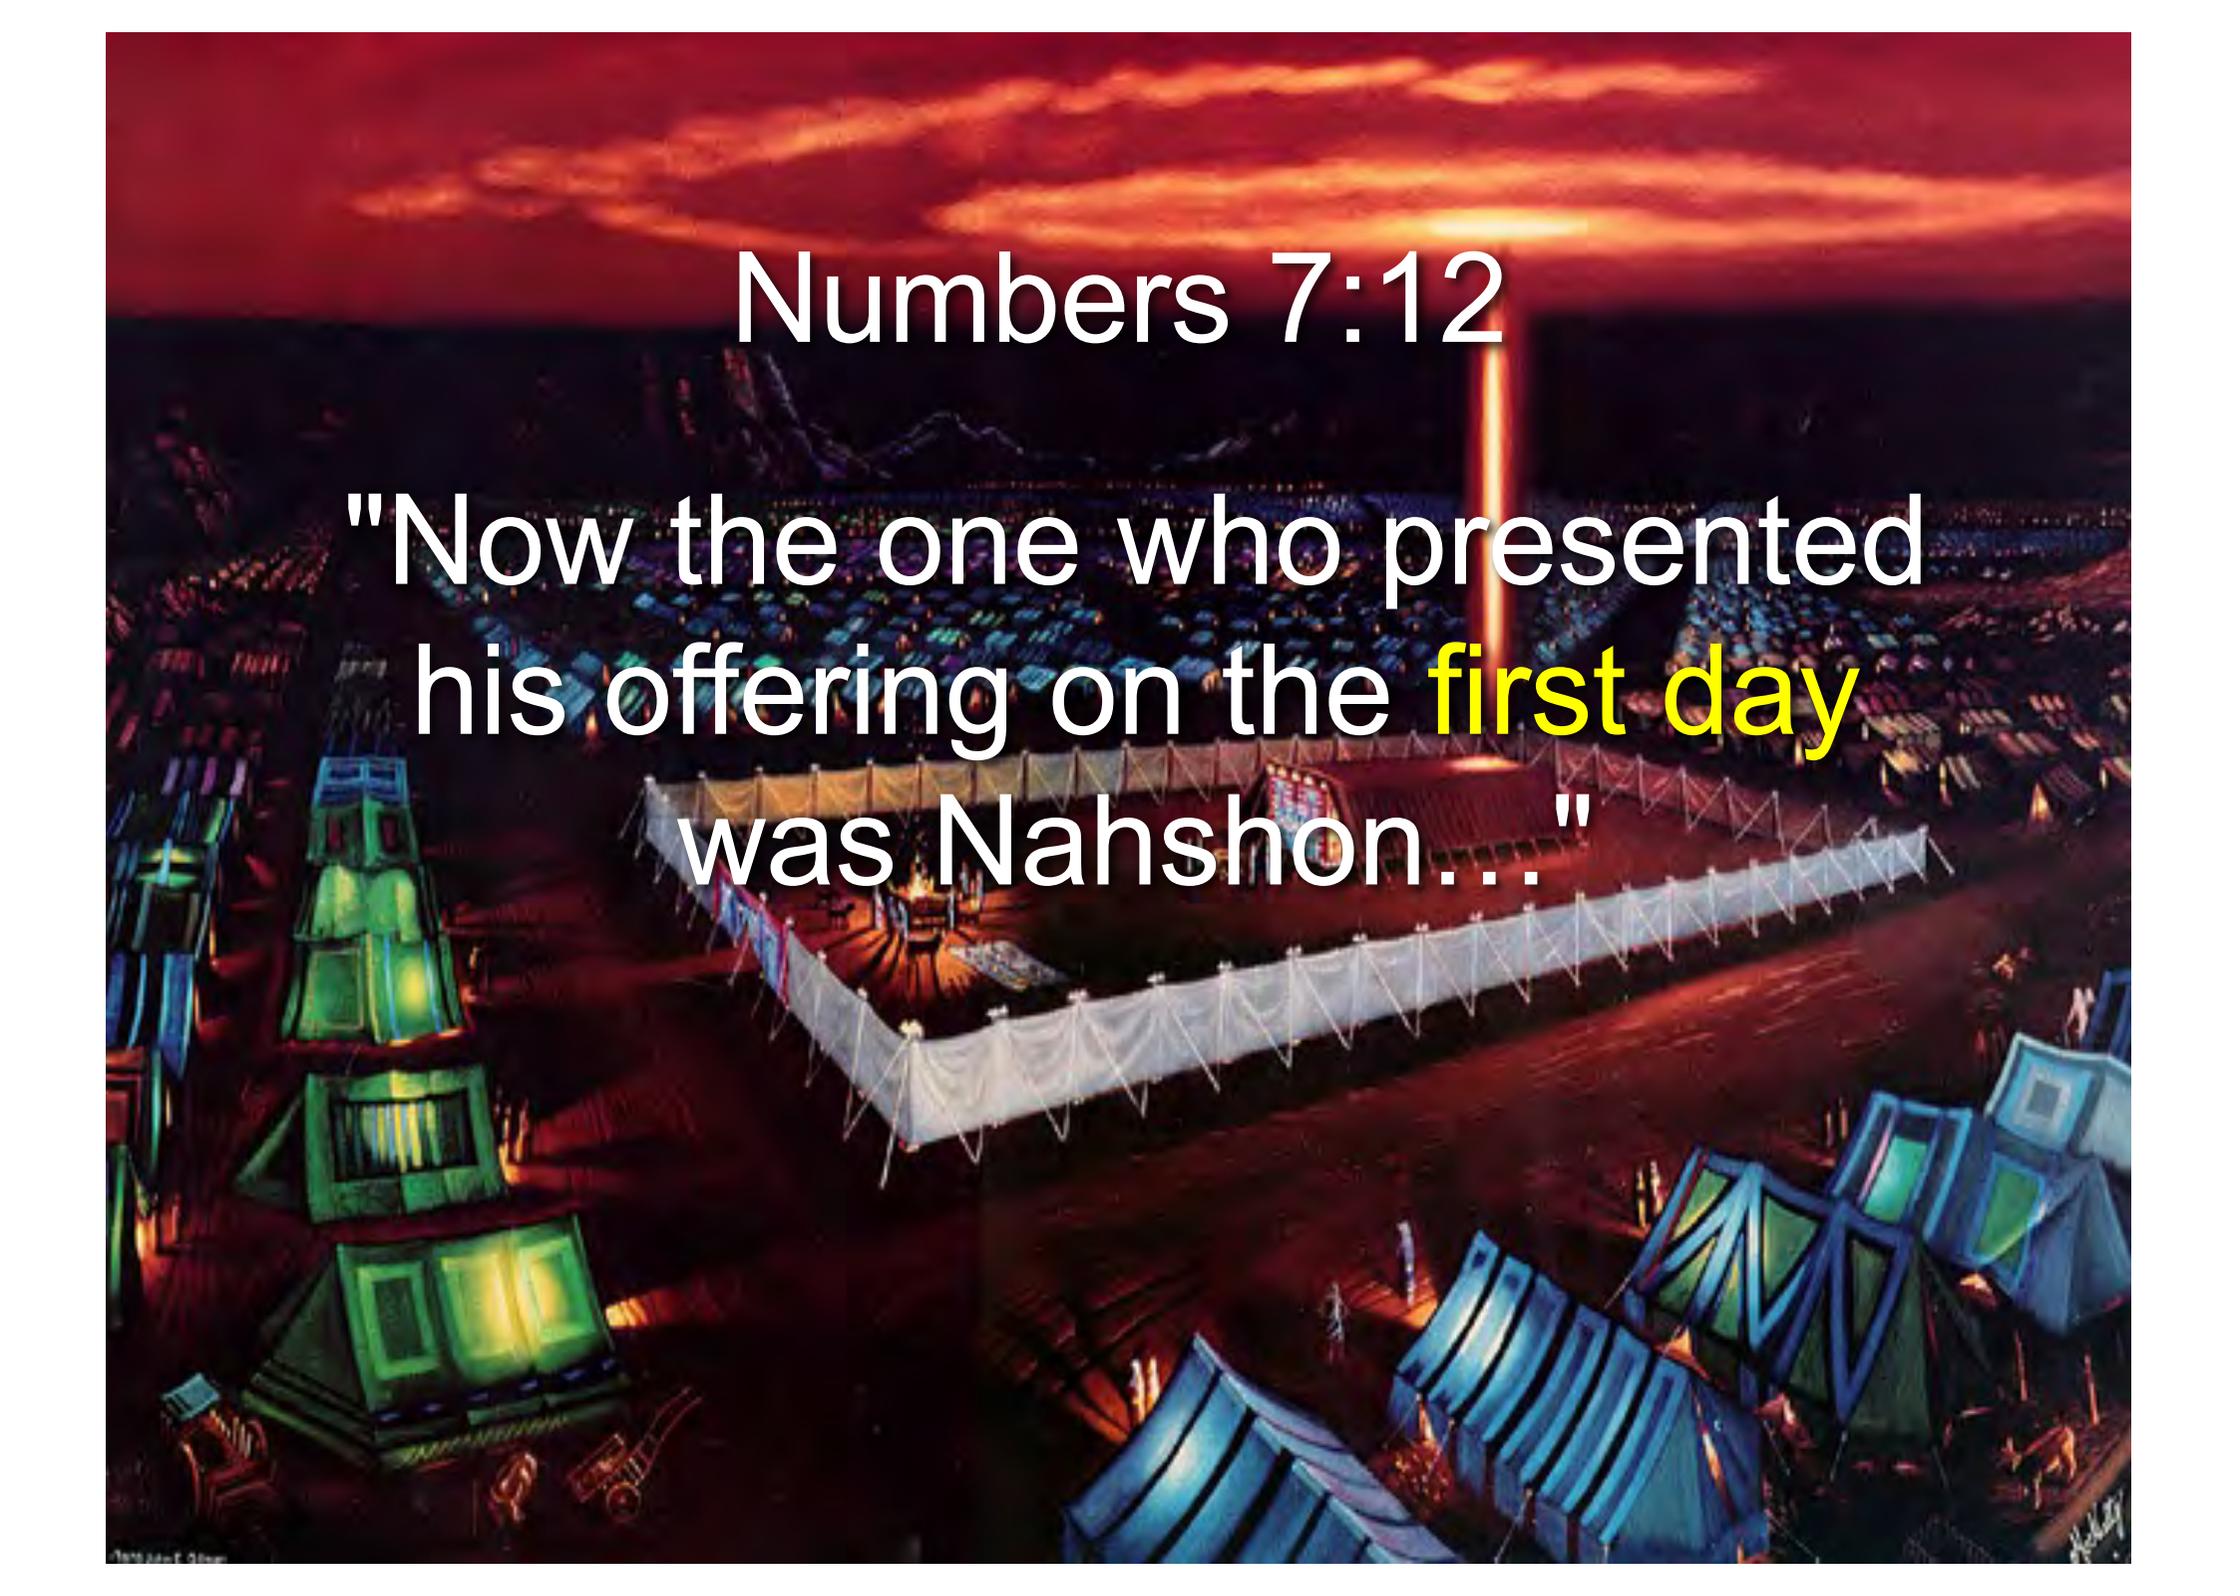

Dan. 8:26 alone (besides Gen 1) has
"evening & morning"
—with a literal view

"The vision of the **evenings and mornings** which has been told is true; But keep the vision secret, for it pertains to many days *in the future*" (NASB).

Why 24 Hours?

- *Instantaneous creation (Ps. 33:6)*
- *"evening and morning"*
- *Numerical adjective ("second...")*

In Hebrew, when "day" (yom) is preceded by a numerical adjective, "day" is always literal!

A dramatic illustration of the Israelite camp at night. The scene is illuminated by a bright pillar of fire descending from a dark, stormy sky. The camp is filled with numerous tents, some of which are lit from within, casting a warm glow. In the foreground, several large, ornate tents are visible, some with intricate designs. The overall atmosphere is one of awe and divine presence.

Numbers 7:12

"Now the one who presented his offering on the **first day** was Nahshon..."

God's Creation...Day 1

God called the light day, and the darkness He called night. And there was evening and there was morning, **one day** (5).

Can We Find the Date of Creation from Genesis 5 & 11?

Some Say "No"

- Other genealogies in the Bible have gaps (e.g., Matt. 1:1-17)
- Therefore there must be gaps in Genesis
- A "no gap" view puts the Flood at 2487 BC but Egypt's history goes back before 3300 BC

Others Say "Yes"

- The other genealogies do not give the father's ages when their sons were born
- God wants us to "mark seasons and days and years" (Gen. 1:14)
- Why else would God give us the ages of these men?

Is the Table of Nations Accurate (Gen. 10–11)?

"Having constructed the Table of Nations into a simple genealogy, I wanted to see how many of its names were attested in the records of other nations in the Middle East... [I saw that] the Table of Nations had listed all the families and tribes of mankind in their correct groupings, whether those groupings were ethnological, linguistic or geographical. All the names, without exception, were accurate, and in more than twenty-five years of searching and analyzing, I uncovered not one mistake or false statement of fact in the Table of Nations."

Flood Begins

Waters trapped deep in the ground break open on the land in 40 days of hard rain with volcanic eruptions, erosion, earthquakes, and more (Gen 7:12, 17). Waters cover the whole earth (Gen 7:18-20). All land creatures die (Gen 7:21-22).

Day

Day 47 of Flood—Intense Rainfall Ends

For 110 more days, the waters cover the earth (Gen 7:24), as the rain and eruptions continue. Many layers of mud laid down, full of dead things. They have now turned into rocks and fossils.

Finally, the water begins to go down.

Day

Ark Lands on New Ararat Mountains (Gen 8:4)

For 74 days, Noah and his family wait while the water continues to go down. A great wind (Gen 8:1) helps to drive the water off the land. The mountains continue to rise and valleys form. The flood waters continue to collect in the new oceans.

“Although we’re very quick to criticize those that operate on faith, that’s exactly what we did.”

But as it turns out, the Hadean may not have been so hellish. New analysis of Earth and moon rocks suggest that instead of a roiling ball of lava, baby Earth was a world with continents, oceans of water, and maybe even an atmosphere. It

Overview

Genesis 1–11 is the foundation of all teachings in the Bible, including the gospel. Critics often know this better than Christians do, so these unbelievers have leveled many attacks against a normal reading of these critically important chapters. Unfortunately, some Christians have joined their ranks in sincere but misguided attempts to reconcile the Bible with evolution and/or millions of years. The 29 presentations on this page are our small attempt to provide Bible teachers and seekers with ready-made tools to show that the Bible's accounts of creation, the Fall, Noah's Flood and the Tower of Babel should be read in a normal way. They total 2059 slides at present but are growing as more teachers allow their presentations to be available for download. Please use them but do not sell them. Note that the number at the end of each file indicates how many slides are in that presentation. As for Dr. Rick's views on creation, please note that he has signed the document called "Affirmations and Denials Essential to a Consistent Christian (Biblical) Worldview" here and on the OTS 77a-d handout below.

创世记1-3 是圣经教导的基础。往往许多批评者比基督徒还更了解圣经，因而招来许多攻击。不幸的是一些基督徒在解释圣经与进化时，受到迷惑并错误的采取了他们的立场。本网页的资料引导圣经导师与求知者该如何正确看创造的故事。目前，这网站有2357投影片供读者下载。欢迎读者使用但禁止“售卖”任何资料。在每份档案后面的号数代表投影片的张数。

Dr. Griffith已在“基本基督教世界观的确认与否”上签名表明他对创造历史的立场

Main Idea

How do we fight the pagan philosophies of our day?

Defend God

as **Creator** and **King!**
