

**Lesson Six: Second Declension Nouns (Module A)**  
**Masculine Nouns and the Article**  
**The Nominal System (Part 1)**  
**Study Aid Level Two: Read and Translate**

**Instructions:** First, cover the right-hand column with a piece of paper or index card. Read several times the Greek words in the left-hand column. Next, translate into English what you have just read in Greek before uncovering the right-hand column. Finally, check your translation by uncovering the corresponding right-hand column. This exercise demonstrates how to translate multiple words when they occur together. Do not underestimate the importance of this exercise.
