IV. Focusing on People with FAITH

- A. Faithful - Has this person demonstrated a desire spiritual growth? Does this person have a track record of dependability in their family, church, or job?
- B. Available - Will this person make this discipleship relationship a priority? Is he/she willing to consistently meet with you, and the others God will bring into their life to disciple?
- C. Intentional - Will this person be willing to persevere through a very intentional discipling process and be willing to persevere through the process required to become an equipped spiritual multiplier?
- D. Teachable - Does this person have the humility to learn and then submit to the counsel of God's Word? Communicate up front that "both of us" will be learners along the way, and that it's vitally

important that “we both be open, transparent, and teachable before God and one another.”

- E. Heart - Is this person committed to God’s purpose to fulfill the Great Commission? Does he/she yearn to know and serve God, loving Him with their whole heart and ready to pour their life into others?

Note: It is wise to take your time on the front end, prayerfully evaluating the people God may want you to disciple (Lk. 6:12-16). This approach aims to launch generations of spiritual multipliers. For that to happen consistently, investing in people who have the character and commitment to “pass the baton” forward is critical.

- * Crown of righteousness (2 Tim. 4:8)

- * Crown of life (Jm. 1:12: Rev. 2:10)

- * Crown of glory (1 Pet. 5:4)
