Want an entire Bible book in one sermon? Download the PowerPoint  • sermon manuscript in Word  • handout in Word  • handout in PDF  • or listen to the audio  • or watch the video . Each PPT sums up its biblical book in about 100 slides that are explained in the audio or video links. The manuscript shows the place to advance each slide, includes research notes, provides outlines, and ends with a two-page handout for the book. The two handout versions are identical except you can edit the Word edition. The goal of this page is conciseness, but download thousands of additional slides at OT Survey, NT Survey, OT Preaching, and NT Preaching. Every message below starts with "Be..." because each book of the Bible shows us what to *be* since we are "human *beings*"—not "human *doings*."

A woman with long brown hair, wearing a white long-sleeved shirt and a light blue cardigan, is sitting at a white desk. She is leaning forward with her chin resting on her hand, looking directly at the camera with a thoughtful expression. In front of her is a silver laptop. To the right of the laptop, there are several books stacked. A large, thick red 'X' is drawn over the books and the woman's hand.

# The New Testament “Building”

21

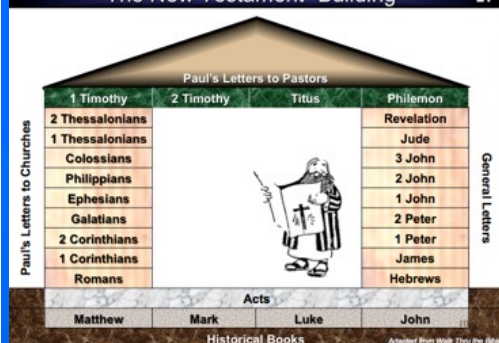

# Observations on NT Structure

21

- Gospels and Acts are the primary and secondary historical and theological foundations of the NT.
- The four gospels are named after their authors.
- The historical/theological foundation has two pillars built on it that comprise 9 books each.
- Paul's letters to churches in the left pillar all fit into Acts chronologically.
- Paul wrote no letters to churches after Acts.
- Pauline letters are named after recipients while General letters after authors (except Hebrews)
- Every book that ends in "ns" is Pauline.
- All Pastoral Epistles begin with "T" (1-2 Tim.; Tit.)

# Observations on NT Structure

21

- General Epistles came after Acts (except James).
- Each of the 2 pillars begin with a foundational book: Romans & Hebrews (also their longest).
- Both pillars also end up in books that primarily deal with eschatology: 2 Thess and Revelation.
- Instruction to the leaders comprise only 4 books (i.e., the NT addresses the average Christian).
- Only 4 NT books are written to an individual (i.e., the NT is corporate, not individualistic).
- Each 1<sup>st</sup> of multiple letters (1-2 Cor., 1-2 Thess., etc.) is longer & more theologically significant.
- The "building" is chronologically clockwise.

# Observations on NT Structure

21

- Three sections all have 9 books: 9 Historical/Pastoral + 9 Pauline + 9 General.
- Paul's audiences were both Jews & Gentiles but the General letters had Jews alone in Hebrews & James though the church was more Gentile then.
- Pauline letters addressed early Christians when eyewitnesses to Jesus lived but General letters mostly addressed second generation believers.
- The NT foundation rests on books about the life of Christ, as Jesus is the focus of the NT.
